THEME: LIVING THE SPIRIT OF CHRIST

Morning Session, October 26, 1971

1. The One Hundred Seventeenth Annual Session of the Union Baptist Association was called to order by Moderator Robert L. Taylor at 9:30 a.m. on Tuesday, October 26, 1971, in the Mount Harmony Baptist Church.

2. The worship period began with the singing of "For the Beauty of the Earth" led by Jackie Gill, with Mrs. Myra Poplin at the organ. H.L. Hunter read Romans 8:35-39 and led in prayer.

3. Aaron Tyner moved the adoption of the printed program, with any necessary changes, as the order of business for the two-day session. Motion seconded and unanimously carried. Vice-Moderator J. Howard Williams recognized visitors and new pastors: Robert Bivens of Atlanta, Georgia; J.R. Owens, Union Grove; Bryant Carr, interim at Macedonia; R.J. Pressley, Hartis Grove; Gerald Lanier, Friendly; H.L. Hunter, Sutton Park; John Mullis, Faith; B.C. Beal, Oak Grove; J.C. Meigs, Interim at Bethel.

4. The Vice-Moderator presented Robert Taylor for the Moderator's Address. Using John 20:19-21 as a basis for his message, the Moderator spoke on "Why Every Christian and Every Church should be Missionary." Mr. Taylor told his listeners that in a true sense, all represented at Annual Associational Meeting are missionaries and he

gave several reasons for this: the will of God makes all Christians missionary at home and abroad, God's plan of salvation makes Christians missionary, the example of our Lord and His apostles make Christians missionary, one's gratitude and relationship to God makes him missionary. The congregation was reminded that they are sent because Jesus said, "As my Father hath sent me, even so send I you." The world is waiting, depending upon the Church. As Christians, we have the remedy and the cure for the ills of the world. Are we going to withhold this remedy or are we going to be the missionaries that we should be and accept the Great Commission -- to go and teach ....?

5. Social Services Reports - Boyce Earnhardt moved the adoption of the Baptist Hospital, Children's Homes and Homes for the Aging reports as printed in the Book of reports. Motion seconded. Dr. W.K. McGee, Baptist Hospital, spoke to the reports. He remarked that the Social Service agencies are trying to join hands with others to strengthen the Cooperative Program. He urged pastors to strengthen Cooperative Program giving. Through these services, people all over the state are being touched in all areas of need. Christians need a geniune concern for the needs of people and to "Live the Spirit of Christ" through our hospital. Following his remarks, motion carried.

6. Congregational hymn - "O Master, Let Me Walk With Thee"

7. Organizational Reports - Mrs. Cliff Adams moved the adoption of the Sunday School, Church Training, WMU, Brotherhood, Music, and Associational Missions reports as printed in the Book of Reports. Motion was seconded. Aaron Tyner spoke to the reports using Matthew 28:18-20 as a basis for his remarks. Mr. Tyner pointed out that the concepts for Associational Missions are found in the Scriptures and that we need to have a deeper conviction about missions and more compassion for people. Motion carried.

8. Chaplaincy Ministry - J.F. Cunningham moved the adoption of the report as printed in the Book of Reports. Motion was seconded and carried.

9. Announcements - Lawrence Funderburk, Pastor of Mount Harmony, welcomed messengers and visitors. He also gave directions about church facilities and lunch. Registration Report - 350 persons present, 250 messengers and 100 visitors.

10. Men's Quartet - "The Riches of Love," "Only Trust in Jesus", Kenneth Griffin, John V. Chaney, Clyde Hicks, Jackie Gill

11. Annual Message - "Living the Spirit of Christ Through Paying the Cost of Living for Him" was brought by Mr. John A. Bivens, a layman, from Wingate. The message emphasized that the call to follow Christ is an individual matter. Also, that it has never been easy to follow Christ. Ridicule, castigation and persecution have been the lot for most who have chosen to accept the invitation of "follow me". Mr. Bivens asked the people in the audience what they had sacrificed to follow Christ, if anything. The people were then challenged to follow by accepting Christ, denying self, taking up the cross and following Christ.

12. After the closing prayer and thanks for the noon meal, lunch was served.

Afternoon Session, October 26, 1971

13. The singing of "All Hail the Power" led by Kenneth Griffin opened the afternoon session. B.C. Beal read from the third chapter of First Kings and led in prayer.

14. John Steverson moved the adoption of the Evangelism and Interracial reports as printed in the Book of Reports. Motion seconded. John Wood spoke to the reports on "Living the Spirit of Christ in Expectancy and Creativity through Evangelism." Mr. Wood challenged each one to be a witness for Christ -- to go out where Christ is needed. Following his remarks, the motion carried.

15. Congregational hymn - "Love Divine"

16. W.E. Allen moved the adoption of the Christian Education report as printed in the Book of Reports. Seconded. Mr. Allen recognized Dean Surratt, Wingate College, who introduced Dr. E. Eugene Poston of Gardner-Webb College. Dr. Poston presented Dr. Allen Burris of Meredith College who expressed his appreciation for the support given to Baptist Colleges and Christian Education. Dr. Poston stated that he believes the movement among college students is back to Christianity.

17. Business and Reports: Because of the absence of John Hargett, the Trustees Report was postponed until Wednesday's session.

REPORT OF ANNUITY BOARD OF THE S. C. C.

As prices of goods increased and the value of the dollar decreased in 1970, a large number of Baptist pastors, church staff members and denominational employees moved to provide greater protection in the years ahead for themselves and their families. Most of these persons did so by increasing their Southern Baptist Protection Program participation to at least ten per cent of total salary.

While members upgraded, the Annuity Board was introducing Good Experience Credit. This gives Protection Program members benefits over and above the amounts set forth in their certificates.

Increased benefits are made possible by interest earnings in excess of the Protection Program's initial acturial assumptions. Since January 1, 1970 active members received Good Experience Credit in the form of increases in retirement credits accured.

Retired persons also get Good Experience Credit. Persons receiving benefits other than education, variable for fixed period are getting four per cent more income each month.

Each retired person, or widow, also received an "13th Check" for 1970 amounting to 8.33 per cent of his annual benefit. It was the fifth consecutive year the "13 th Check" had been given and amounted to $424,594.

In its 53 year history, the Annuity Board has paid benefits amounting to $82.1 million; $8.4 million was paid in benefits during 1970.

An Annuity Board protection program is available to cover all the needs of a pastor, church staff member or denominational employe. Many churches help by paying the dues in retirement and life and health insurance plans. Information on any part of the Annuity Board's programs may be obtained from the state convention office or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas. 75201.

At present 34 churches and pastors are participating in the Annuity Program in Union Baptist Association. We urge each church to consider participating in the Annuity Program of Protection for the pastor and church staff.

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors elected by the Baptist State Convention. The policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. In other words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth, in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as: supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention, and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the lifetime of the donor. The Foundation stands ready to render service to individuals and churches as their requests are made known. We wish to serve you.

NORTH CAROLINA BAPTIST HOSPITAL REPORT TO ASSOCIATIONS, 1971

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients -- that is, patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care - now the highly specialized care for the more difficult cases - for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism." The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statewide Development Campaign, initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital opperated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptist with the same enthusiasm and the same reason we support every other phase of our denomination's World Mission Program. This is missions too.

CHAPLAINCY MINISTRY REPORT

On June 15, 1971, Union County Baptist launched out into another area of mission work. Meeting at the Hilltop Restaurant for a dinner meeting, the Executive Committee appointed the Association's first Chaplain. The action came about after many months of working and planning by the Associational Missionary, Aaron Tyner, and others within the leadership of the Association.

The Holy Spirit has opened the eyes of these men that they could see the great need of a Chaplaincy Ministry in Monroe and Union County. They saw men, women, boys and girls in the courts, in need of spiritual guidance. They saw our young people turning to drugs in search for meaning in life. These, they knew, needed guidance and counseling by a Spirit Led Counselor. They also saw men in prison in need of Christ, and elderly citizens living in Convalescent and Rest Homes in need of companionship and spiritual help. The Holy Spirit not only opened the eyes of these men, but moved them to begin this work as well.

J.F. Cunningham, Jr., Pastor of Union Baptist Church, was appointed as Director of Chaplaincy Ministries on a part time basis. He will receive a salary of One Hundred Dollars, which will be paid by The North Carolina Baptist Convention, Divisions of Missions. He is a member of the Missions Staff of the State Convention, as an

Institutional Chaplain. At present there are eight Institutional Chaplains within the State.

At present the work has just begun. In cooperation with the Union County Ministeral Association, Services are being conducted at the North Carolina Prison Unit here in the County. The Chaplain is also beginning to work with the Department of Social Services, assisting with the elderly and needy. He is also doing counseling with young people, who are in trouble with the law.

God has opened unto us an enormous work. He has set before us a challenge that a few men cannot meet. Nor can this work be carried on with a few dollars from the State Convention. This work will only be done by the people of Union Baptist Association, being moved and led by the Holy Spirit.

Respectfully submitted,
J.F. Cunningham, Jr.
Director of Chaplaincy Ministries.

BAPTIST CHILDREN'S HOME OF NORTH CAROLINA, INC.

Let a graduating senior express what it is like to live in one of our Baptist Children's Homes: "I really do not know how to write about a place which has been so fine, and which has given me the opportunity to worship, work, and learn: not only where we stand in moments of comfort and convenience, but where we stand in moments of challenge and moments of controversy. After all these years, one finally learns that certain values and practices are good and sound and help children to feel secure and happy."

This statement could be made by almost any senior regarding his home and community, for a child in the care of the Baptist Children's Homes has basically the same attitudes and values as other children. He differs from other children only in the tragic experiences which have made it necessary for him to live away from his family. For these children, it is our mission to provide loving care in the spirit of Jesus Christ. We want to work in harmony with what we sense God is doing in the life of each child enabling the child to tap his own inner resources and grow to responsible adulthood.

The pursuit of this basic goal has led the Children's Homes to develop a variety of services, all family centered. Some families need resident care for their children and for these we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Our services are made available through strategically located facilities throughout North Carolina: in the East at Kinston, Pembroke, Fayetteville and Raleigh: in the Piedmont at Chapel Hill, Thomasville and Charlotte: in the West at Ashville and Waynesville.

Staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we have shared with North Carolina Baptists. The churches have expressed their confidence and support through increased Cooperative Program gifts and a 1970 Thanksgiving Offering of $380,000. Individuals continue to give generously and to become involved in our varied ministries. We accept this support as an investment in all that we are doing and we pledge ourselves to translate your investment into quality Christian child care.

CHRISTIAN EDUCATION

Christian education is a process of learning about the qualities demonstrated and aught by Jesus Christ, as love, justice, kindness, concern for others, sharing, etc. 'Shall Christian Colleges die?" is a question raised in many places to-day. So ser- ous is the plight of the Christian Colleges today that nothing short of a great out- pouring of support can save numbers of them from extinction. Thinking in terms of ll our conciliar churches one could say that from a quarter to a third of the members re conservative evangelicals. These millions of Christians are nor strangers to God's naterial blessings. They have their share of the national wealth. The can, if they will espond prayerfully and sacrifically, help Christian education weather the present torm.

For God's people, a need constitutes a call. Our Christian colleges and universities re in a great need. Let our answer combine prayer with open handed giving. Education n a Christian setting prepares young people as servants of the lord. Some quotes: 'One of the chief characteristics of today's youth is a sense of justice and fair play. For him justice is an inclusive and universal term. He wants a voice for himself, but e also wants it for every human being. He also wants a part in building a better world. For example, in him response to the work of the Peace Corps, and within the frame- work of our own denomination, to the US-2 and the Journeyman programs of the Home Mission Board and the Foreign Mission Board."

"Lets not sell our college students short. Today in college and university class- ooms all over the land, we have mature intelligent and concerned young people who ill heed the message of the church and respond to its mission, if we care enough to ry to reach them." This is the challenge to all Baptist churches and their colleges."

"The cause of education in the Kingdom of Christ is to coordinate the cause of missions and general benevolence and should receive along with these the liberal support of the churches.

As conceived by Baptist, the truth for which we search and with which we deal is a evelation from God. Christian education consists of the search for any and all truth ith the conviction that the author and revealer is God, as He has made Himself known supremely through Jesus Christ.

What about Wingate College in our midst? It is part of Christian education pro- noted by the Baptist State Convention of North Carolina, and provides a sound educa- ional program, within the plan of a junior college, or the purpose of developing Chris- ian Leadership. Wingate is the largest two-year church related college East of the Mississippi, with an enrollment of 1651, as of the first semester of this year. Finally he college expects to receive approximately $192 thousand from the Cooperative Pro- gram budget this year.

CHRISTIAN LITERATURE

At a time when some religious publications are losing circulation, it is good to eport that the BIBLICAL RECORDER has passed 93,000 -- the highest circulation in ts 138 year history. This circulation is a tribute to the Baptists of North Carolina who

support the paper so faithfully.

Even though inflation continues to create problems, you can receive the RECORDER under the Church Budget Plan for the same price it was in 1960 -- only $2.00 a year. It is not known how long the reasonable price can be made available and that is all the more reason churches should enlist immediately.

The RECORDER likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however. the RECORDER does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenburg Counties. The RECORDER stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people -- it stands for something.

The RECORDER appreciates every reader and supporter. The cost is reasonable. You can receive the RECORDER under the Church Budget Plan for only 4¢ a week -- half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the RECORDER to every family.

CHURCH TRAINING REPORT

Have you ever really stopped to ask, "What is the significance of my role as a church member?" As you answer this question, keep in mind that "the lack of trained teachers and leaders is the number one critical need of Southern Baptists."

We in the Associational Church Training program stand ready to help in any way we can to be of service to the local church in setting up a program of training. We have re-arranged the workers in the Associational program as follows:

1. Church Training Director
2. Pastor Advisor
3. Secretary
4. New Member Orientation Director
5. Church Member Director
6. Leadership Director
7. Director of Age Group Activities

The purpose of re-organizing the Associational work was to meet the needs of the local church. If a church has a need in either New Member Training, Church Member Training, or Leadership Training, the Association has a person trained and ready to help.

Remember, Church membership must have meaning, else Christians can have no peace, joy, or freedom. Church members have never been long content merely to survive. Something within him asks the ultimate question: "What would Christ have me to do through His church?" The better training program a church has, the easier it is for members to find an answer to that question.

May God bless each of you as we seek to train as well as to win.

Max Melton

CONSTITUTION AND BY-LAWS COMMITTEE
October 26-27, 1971

Some changes are hereby submitted to bring the Constitution in line with the policies of the Association.

1. ARTICLE IV - AFFILIATED CHURCHES. (Constitution)

COOPERATIVE PROGRAM REPORT

Is there a church you can lead to increase Cooperative Program giving by $5,000? or $10,000? or $15,000? Does your association have 100% of the churches contributing through the Cooperative Program? Anson and Yates associations did in 1970. More than 1,000 churches in North Carolina increased Cooperative Program giving last year by 10% or more over the previous year. As a dedicated Christian steward will you try to lead your church to increase the percentage of the offering plate dollar given through the Cooperative Program?

A pastor said during a Fellowship Dinner in his church, "My hands reach 25,000 miles, or rather the Lord's hand through me, when I lay the dedicated tithe of my income in the offering plate of our church.

"But how can I reach this distance? By joining hands with others.

"You see, our church gives 32% of every undesignated dollar through the Cooperative Program.

"Our Lord set a wonderful example for us at this point. He started with education.

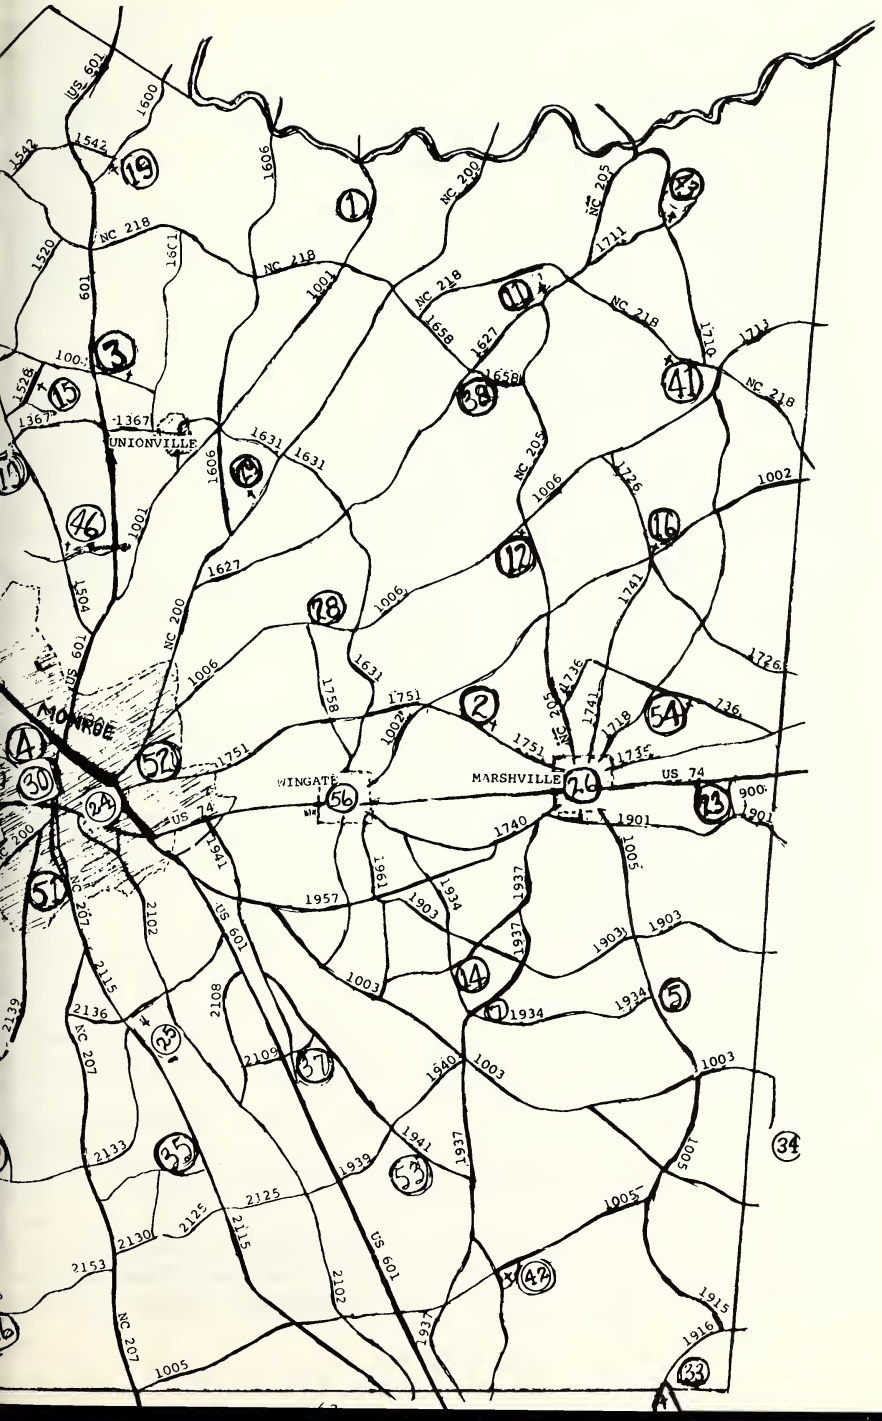
NION

ASSOCIATION



He taught the apostles and they proclaimed the gospel around the world. The Cooperative Program is an effort to follow this example.

"Since the Cooperative Program helped to educate and now pays the salary of over 6,000 missionaries around the world, I am able to reach the 25,000 miles of the earth as I tithe through our church," concluded the pastor.

You can reach 25,000 miles as your church gives a worthy portion of each worshiper's contribution through the Cooperative Program.

North Carolina Baptists believe that the Cooperative Program is the best way to do mission work because:

1. It is motivated by the Great Commission. The Cooperative Program did not create cooperation on the part of Baptist churches; the desire of the New Testament churches to give the gospel to the world created the Cooperative Program, (Luke 24:45-48; Acts 1:8.)
2. It is rooted in New Testament practices (II Cor. 8 and I Cor. 16-3.)
3. It is the product of generation of the best Baptist leadership.
4. It gives hope for the future.

The Moderator, the Convention's General Board member, our Superintendent of Missions, and your Cooperative Program Representative in this association, plus your Regional Cooperative Program Consultant and R. Tom Greene of the Baptist State Convention office are delighted to offer friendly service to aid your aim of increased Cooperative program sharing. On your invitation we stand ready to assist in every possible way.

Your Regional Cooperative Program Consultant is: Rev. Marion Parker, Box 442, Troy, 27371. His telephone numbers are: Office, 576-5286; Home, 576-5281.

EVANGELISM REPORT

Christians everywhere should thank God for the renewed interest in evangelism. The youth and adults both are becoming more concerned about their relationship to God. Evidence of this was seen during the Evangelism Conference at Greensboro this past February. They came from every corner of the State. There was an estimated 20,000 youth and adults who attended the Youth Night conference. The number of decisions was reported to be 1,519. Also we are hearing of a greater involvement in witnessing among the youth as well as the adults.

In our own association the spirit of evangelism has begun to burn. One indication of this was our Evangelism Clinic. 37 churches were represented at our clinic with an attendance of 250. The Pastor's Prayer Meetings, begun in 1969, are still going strong. They meet the last Tuesday in each month. A Lay People's Prayer Meeting has also begun. Plans are being made for a Lay Evangelism School. It will offer an opportunity for us to learn person to person evangelism. The new WIN Material will be used. We Hope that every church will participate in this effort.

Let us remember that the dearest thing to the heart of God is evangelism. Also let's put ourselves at God's disposal and then we can behold God moving in our churches with many accepting Christ and greater dedication among God's people.

Respectfully submitted,
John Steverson, Chairman
Evangelism Committee

GOOD GOVERNMENT
CHRISTIAN LIFE COMMISSION REPORT

The Christian Life Commission's emphasis on applied Christianity is finding good cceptance among Southern Baptists. In the associations, state conventions, and arious Southern Baptist Convention Agencies, there is a growing commitment to hristian action. The response of local churches has been especially encouraging.

During the past year, numerous articles and stories on applied Christianity were hanneled by the Commission through practically all of the state Baptist papers, outhern Baptist Convention agency publications and other mass media outlets. The ommission's literature program has been substantially strengthened by ten new Issues and Answers" pamphlets covering the subjects of aging, capital punishment, onsumer credit, generation gap, open housing, pollution, population explosion, re- olution, sex education, and taxation. The Commission now has some 70 tracts in rint and available for helping churches emphasize the practical dimensions of the hristian faith. A complete and illustrated order form is available upon request.

The Christian Life Commissions conference program has developed especially ell during the past year. The largest national seminar ever sponsored by the Com- nission was held in New York in March on "National Priorities and Christian Respon- ibility" with more than 400 in attendance. Three of the addresses from the conference ere carried nationally on the National Broadcasting Company's "Faith in Action" rogram. All the addresses have been printed in booklet form and are available from ie Commission for $2.50 as a study resource. Four regional conferences scheduled or 1971 have been proven to be a new and helpful way of getting the Commission's mphasis on applied Christianity out to a wider audience than ever before.

A new approach to providing pastors and other church leaders with resource ma- erials on the pressing moral issues of our times has been utilized this year. Three arefully researched resource papers on pollution, urban crisis, and drugs have been rinted and inserted in Home Missions magazine, and others are projected for the fu- ure.

In response to the need for guidance in Christian sex education, the staff of the hristian Life Commission has worked with the Church Training Department of the aptist Sunday School Board to prepare CHRISTIAN SEX EDUCATION:A RESOURCE ACKET. This material, available in the Baptist Book Stores, can be used by pastors nd church leaders in developing responsible teaching about sexuality in the home nd the church. The packet contains a basic booklet with a theology of sexuality plus variety of reprints, pamphlets, and bibliographies to be used in Christian sex ed- cation.

The Christian Life Commission has also focused on drug education by developing or the Seminary Extension Department and Independent Reading Program for pastors ntitled Problems Pastors Face: Helping People with Drug Problems. This program is esigned to give pastors basic factual information about drugs plus a Christian ritique of drug abuse. It also suggests resources for helping people who have drug roblems.

The Christian Life Commission's objective is to help develop the kind of Christian orality, both private and public, which undergirds the total Southern Baptist witness or Jesus Christ. God is calling Southern Baptist to act responsibly in all phases of ife, permeating the community as the salt of the earth and the light of the world. n response to this calling from God, the Christian Life Commission is dedicated to mphasizing the application of the Christian faith in the world.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of the ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York of Greensboro. The trustees accepted the challenge and raised an additional $80,000.00.

PRAY for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

Respectfully Submitted,
J.D. Tucker

WOMAN'S MISSIONARY UNION REPORT

The watchword for WMU this year was "Our love should not be just words and talk; t must be true love, which shows itself in action." (I John 3: 18TEV)

With Mission Action Groups now widely organized throughout the Association, much ctivity has taken place.

Several of our ladies have attended State-wide clinics in learning how to teach dults to read by the Laubach Method, and we engaged Mrs. Thurman Allred to come nd teach us this method on an Associational-wide basis, so that we now have many adies who are qualified to teach adults to read. Many are now quietly at work in this nission field.

Early in this year our regular Leadership Training classes were held at First Baptist Church, Monroe, with courses available for leaders of WMU, Baptist Women, Acteens, Girls in Action and Mission Friends.

In mid-summer we held a prayer retreat in Thomasville on the campus of Mills Home of our Baptist Children's Homes of North Carolina. This was one of the high-

lights of our year. We were so impressed with the buildings and the work going on there that the ladies present made a generous donation to buy needed books for the lovely new library.

Our annual Sessions were held in West Monroe Baptist Church. The highlight of this meeting was our missionary speaker, Mrs. Clarence Griffin, now serving in Indonesia. Also very impressive was our Parade of Flags. The parade was led by the Flag of the Church, followed by flags from the eighteen nations where North Carolina has the most missionaries. The ladies made their own flags and they were carried by the WMU Directors of the church giving the flag. The two Union County ladies currently serving on the foreign field, Mrs. Edwin Dozier (Mary Ellen Wiley) and Mrs. Kenneth Bragg (Faye Helms), were especially honored by having the flag of Japan raised. Both ladies serve in Japan..

For the third consecutive year our WMU was rated "Distinguished," the highest honor, by SBC.

I wish to thank everyone for the privilege of being allowed to serve WMU these past five years, and especially do I wish to thank our two Associational Missionaries, Mr. Cree and Mr. Tyner, as well as the WMU Council for their complete cooperation.

We look forward now to renewed effort and action under the leadership of our incoming Director, Mrs. Clifford Adams, and wish her God's speed. We covet your prayers for her and WMU.

Respectfully Submitted,
Anne A. Brooks, Director

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

Constitution

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Affiliated Churches

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this constitution, and made known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptist throught the years; that all churches presently composing this body, and all other seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V - Officers

THEME: LIVING THE SPIRIT OF CHRIST IN FAITH AND CONQUEST

Afternoon Session, October 24, 1972

1. The One Hundred Eighteenth Annual Session of the Union Baptist Association was called to order by Moderator Lawrence E. Funderburk at 3:00 p.m. on Tuesday, October 24, 1972, in the Marshville Baptist Church.

2. The worship period began with the singing of "Amazing Grace" led by Kenneth Griffin. Robert T. Byrd read from the thirteenth chapter of Numbers and led in prayer.

3. Aaron Tyner moved the adoption of the printed program, with any necessary changes, as the order of business for the One Hundred Eighteenth Session. Seconded by Robert Byrd. Motion carried. Vice-Moderator J. Howard Williams welcomed messengers and visitors giving special recognition to our new pastors and visitors outside of our Association: Gary Hunsucker, Mill Creek; B.W. Moore, Philadelphia; John Garner, Sutton Park; Lamar Price, Lanes Creek; Arch Cree, former Associational Missionary from Albermarle; C.R. Hinton, retired minister from Albermarle; Tilroe Threatt, retired minister, now residing in Marshville.

4. The Vice-Moderator presented Lawrence Funderburk for the Moderator's address. Using Acts 26:22 as the basis for his message, the Moderator spoke on "Living the Spirit of Christ in Continued Growth". Mr. Funderburk pointed out in order to continue growing each church needs to accept the tremendous challenge to become more aware of the needs of the world around us, to help people come into a closer relationship with God. "We need to begin at home," he stated, "to have a strong home base - set a good example - to express our discipleship." To grow in Christ, we need to show to others that we are Christian by doing what is pleasing to God and striving to live as He would have us live. The Moderator challenged each person to find his place and then do those things that God would have him do.

5. Living the Spirit of Christ through Social Ministry - Earl Sossoman moved the adoption of Hospital and Children's Homes reports as printed in the Book of Reports. Dr. W.R. Wagoner, Baptist Children's Homes, spoke to the reports. Dr. Wagoner quoted the first commandment: "Thou shalt love the Lord, thy God, with all thy soul, with all thy might and with all thy strength," and the second is like unto it, "Thou shalt love thy neighbor as thyself." He told his hearers that the love of Christ has two approaches. First: to God, our Heavenly Father, second: to our fellowman. In social ministry, our fellowman is the one we are concerned with. We need to recognize and be concerned with the needs of our fellowman. Many years ago North Carolina Baptists launched a program to meet the needs of these ministries. These ministries are those that each person can have a part in. Dr. Wagoner challenged the congregation to keep their hearts and minds upon those who are less fortunate and then to respond to their need. Motion seconded and carried.

6. Congregational Hymn - "Blest Be the Tie That Binds"

7. Organizational Reports - In the absence of Fred High, Aaron Tyner moved the adoption of the Sunday School, WMU, Associational Missionary Report and Church Training Reports as printed in the Book of Reports. Tom Rushing spoke on the "Pastor -People Relationship". In his remarks, Mr. Rushing said that one need of our church is to "come, let us reason together". The Pastor and people need to be able to "reason together" and reach an understanding of the many problems which confront them today. Another need is to let people know what we are to do. Our purpose is to make Christ

known. Make Christ known to our young people who are turning to many other things in their search for "something" to fulfill the need they feel. If we are to live in a right relationship one with another our motive and our purpose must fulfill the need of our young people, our middle aged and our older people. Motion seconded and carried.

8. Congregational Hymn - "Tis So Sweet To Trust In Jesus"

9. Announcements - Carroll Johnson, Pastor of Marshville, welcomed messengers and visitors. He also gave directions about church facilities and the evening meal. Registration report - 260 registered.

10. Aaron Tyner presented the application form for assistance from State Convention. Motion made to request $1500.00. Seconded and carried.

11. A request for the Association's approval for aid from Gardner-Webb for Ministerial student, Glenn Flowe, was presented by Aaron Tyner. Motion was made to grant request, seconded and carried.

12. Motion to adopt Calendar of Activities beginning January 1, 1973, was made by Aaron Tyner. Seconded and adopted.

13. John Hargett moved the adoption of the Trustee Report as printed in the Book of Reports. Seconded and so ordered.

14. Special Music - "The Four Bells" accompanied by Mrs. Madeline King, Pianist, from Oakland Church.

15. Congregational Hymn - "My Jesus, I Love Thee"

16. Annual Message - "Living Like Christ" was brought by Roy Yow, Pastor of Calvary Church. The message emphasized the fact that more than at any other time in the world, people need to live like Christ. Mr. Yow pointed out that each one needs to take a look at himself and decide what his goal is - is it just to meet on Wednesday night, to sing, to preach and to teach, or do we accept the challenge of Jesus to "go ye into all the world". The people were told that the church must go into the fields that are already white unto harvest with the gospel - the good news of Christ. Mr. Yow told his hearers that it is our responsibility to live like Christ - our privilege and duty to help others come to know Christ and to find their place in His kingdom.

17. Roy Yow led the closing prayer and returned thanks for the evening meal.

Evening Session, October 24, 1972

18. The evening session was opened by the singing of a number of hymns led by Kenneth Griffin. Bill High read from the seventeenth chapter of John and led in prayer.

19. The Moderator recognized one new pastor to our Association who was not present in the afternoon session - Albert Bishop, Hopewell. W. Bryant Carr, Mecklenburg, was also recognized.

20. Mr. Z.G. Ray moved the adoption of the Christian Education report as printed in the Book of Reports. Dr. Allen Burris, Meredith College, spoke to the report. In his remarks, Dr. Burris thanked Baptists of Union County and North Carolina for the privilege and opportunity of serving them in the process of educating their young people. He further stated that he believed this one of the best ways to serve God because his philosophy of true Christianity would be best expressed in our service to our fellowman. Motion seconded and carried.

21. Special Music - Wingate College Choir under the direction of Mr. James Blackwelder.

22. The highlight of the first day came when former Associational Missionary Arch Cree was asked to introduce Dr. Baker James Cauthen, Executive Secretary of the Southern Baptist Foreign Mission Board. Dr. Cauthen, using the twelfth chapter of Luke,

brought an inspirational and challenging message on the topic of "Christ Coming to Bring Fire On the Earth". The challenge he presented was that all the world might have the good news of the Gospel.

23. Evening session adjourned with prayer by John A. Bivens.

Morning Session, October 25, 1972

24. The second day of the One Hundred Eighteenth Annual Session of the Union Baptist Association convened at 9:30 a.m. at the Austin Grove Baptist Church on Wednesday, October 25, 1972, with Moderator Lawrence Funderburk, presiding.

25. Worship began with the singing of "He Keeps Me Singing" led by Worley Griffin. Gary Hunsucker read from the fourth chapter of First Peter and led in prayer.

26. Lewis McLean referred to the Stewardship and Cooperative Program reports as printed in the Book of Reports and moved their adoption. Dr. W. Perry Crouch, General Secretary of the State Baptist Convention spoke to the reports. Using the fifteenth chapter of John as the basis for his remarks, Dr. Crouch reminded those in attendance that Jesus said, "I have chosen you." Being chosen by God to "continue in His love", we are to show forth His love by going out to carry on His work in the world. Motion seconded and so adopted.

27. Mrs. John Hargett, Jr., Treasurer, moved the adoption of the Treasurer's report as printed in the Book of Reports. A balance of $2428.92 was reported. Mrs. Hargett also thanked the churches for their regular and generous contributions to Associational work. Motion seconded and carried.

28. Chairman of the Finance Committee, John A. Bivens, moved the adoption of the 1972-73 Budget as printed in the Book of Reports. ($19,066.36) Mr. Bivens, also, expressed thanks and appreciation to churches for cooperation in giving and support of Associational work. Motion was seconded and budget adopted.

29. Robert T. Byrd, Pastor of Austin Grove, welcomed messengers and visitors and also made announcements about facilities.

30. Moderator recognized the wives of the pastors who were present.

31. Congregational Hymn - "Amazing Grace"

32. The Witnessing Media Reports were moved for adoption as printed in the Book of Reports by John Steverson. Motion seconded and carried.

33. Congregational Hymn - "Stand Up, Stand Up for Jesus"

34. Something new, or at least different, to the people of our Association was a two-person sermon presented by Carroll Johnson of Marshville Church and Bill Dyches from South Carolina. These two preachers brought a message on Christian Morality. Among other things, they pointed out that Christ makes the difference in our lives. Christ gives the reason for responsible living. In Christian Morality, we are not landlords - but tenants, responsible to God.

35. Directions about the noon meal were given by Robert T. Byrd.

36. Carroll Johnson led the prayer and returned thanks for the meal.

Afternoon Session, October 25, 1972

37. The afternoon session opened with the singing of "Oh, How I Love Jesus" and "At Calvary". R.J. Pressley read scripture and led in prayer.

38. The Executive Committee Report, as printed in the Book of Reports was moved for adoption by Mrs. C.H. Arrowood, Clerk. Seconded and so ordered.

39. Digest of Church letters was read by the Clerk. The Associational Clerk gave

recognition to the local church clerks who sent their letters in on time and also recognized the clerks who have served as clerk for five years or more.

40. The following report was given by E.P. Warren, Chairman of the New Churches Committee:

Rev. E.P. Warren, committee chairman, recalled that messengers who attended our October, 1971, annual meeting voted to receive the following churches under the watchcare of the Association for one year: Oakland Baptist Church, Clearview Baptist Church, Lakeside Baptist Church, and Palm Tree Baptist Church. After hearing quarterly reports from these churches who made them throughout the year according to the request of our 1971 annual meeting, and meeting with their pastors and lay leaders during the year, the New Church Committee chairman moved that Oakland Baptist Church and Trinity Baptist Church (formerly Lakeside Baptist Church) now be received as members of Union Baptist Association and that Clearview Baptist Church and Palm Tree Baptist Church be continued under the watchcare of our Association until the next annual Associational meeting.

Respectfully submitted,
E.P. Warren, Chairman

Motion was made to accept the report of the New Churches Committee, seconded and carried. The Moderator gave a welcome to these two churches who have been accepted into our Association.

41. Historian John A. Bivens read historical information as gleaned from the Church letters. He moved the adoption of his report and urged each church who had not yet turned in a history to do so as quickly as possible so this information might be compiled and printed. Motion seconded and so carried.

42. John G. Hargett moved the adoption of the Nominating Committee report as printed in the Book of Reports. Seconded, carried and so ordered. The Report of the Committee on Committees was moved for adoption with one change being made in the New Churches Committee - put Roy Yow in the place of R.V. Greer. Seconded and carried.

43. Time - Place - Preacher Report - J. Howard Williams moved the adoption of the report as contained in the Book of Reports with the exception that the alternate preacher, who is no longer serving a church in our Association, be replaced at a later date. Seconded and carried.

44. Election of Moderator and Vice-Moderator - Lawrence E. Funderburk was re-elected as Moderator and John Wood was elected as Vice-Moderator.

45. In the absence of Dr. James Carlin, Joe Larrimore read the Resolutions Report and moved its adoption:

Whereas, the Pastors and people of the Marshville and Austin Grove Churches and the several other churches who cooperated with them, have made these two days of the Union Baptist Association both memorable and comfortable by their care, their provisions, and their spirit. And whereas, the Program Committee has given us a program both of information and inspiration. Be it resolved that we all do herewith stand to express our deep and sincere appreciation.

Whereas, both Jesus and his disciples, particularly the Apostle Paul, have exhorted us to a unity of faith in the Spirit; and whereas unity is needed among the Brethren in the shadow of the great OPPORTUNITY and DANGER this time affords us; be it resolved that we take this moment to pledge one another our support and prayers, and to pray for the gathering of our Brethren in Winston-Salem next month and whenever

Christians seek to gain and maintain this unity and to cooperate together in Service to Christ.

Whereas, Dr. Perry Crouch, our General Secretary, has been with us these days; and whereas we can only imagine the weight of his office and the added burden of his sorrow in the recent loss of his son. Be it resolved that the Clerk write him a letter assuring him of our support and prayers for himself personally, and for his family, also.

Motion seconded and resolutions adopted.

46. The Memorials were read by Herman Mullis. After a moment of silent prayer, Mr. Mullis led in prayer.

47. Woodrow Hill brought greetings from the Staff of the Biblical Recorder.

48. The Associational meeting was brought to a close with an inspiring missionary message by the Rev. John T. Davis, Pastor of Sandy Ridge Church. Using the fifth and sixth chapters of Hebrews, Rev. Davis' message was on the topic "Salvation and Beyond". The emphasis in this message was what must come after salvation if a Christian is to prove himself the Ambassador and witness for Christ that he should be in this present life.

49. E.J. Hunnicutt led the closing prayer.

Reports

ASSOCIATIONAL MISSIONARY REPORT

The year has been most gratifying in many ways. Let me thank each church and pastor for their wonderful support and my thanks go also to the officers of the Association. I thank God for you all.

During the year I have traveled almost 25,000 miles, preached 53 times, have seen 18 rededications and at least 14 professions of faith resulting from 'WIN" schools taught. I have taught two lay witness schools, with well over a hundred people involved, taught four study courses, attended 84 meetings, 570 conferences with individuals and groups, have written numerous letters and mailed out more than 12,000 newsletters.

Our churches continue to use the audio visuals available and these are being added to constantly.

God has blessed us in our labors together. May the coming year mark a new awakening and committment of our churches and people in local and world outreach.

Respectfully submitted,
Aaron Tyner,
Supt. of Missions

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of North Carolina. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best

interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wishes to do so - Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortgages); real property(farms, woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use the foregoing methods in providing for any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies or institutions.

When one uses the Baptist Foundation, one is EXTENDING HIS STEWARDSHIP IN PERPETUITY. This can and does bring a great deal of satisfaction and joy to the person who uses the Foundation for this purpose.

If you have any further questions or need a representative to visit you, you may contact the North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, N.C., 27611.

BAPTIST HOSPITAL REPORT

The distinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients, but also in the type of service it renders to all its patients, and to many other people throughout our state and nation and around the world.

As an academic Medical Center it is engaged in research and in education, as well as direct patient care. The ministry through research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry also extends around the world, since graduates of the Bowman Gray School of Medicine serve in 88 countries of North Carolina, in 47 states and the District of Columbia, and in 25 different countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

The quality of direct patient care provided at Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have rare or complicated medical problems. Because of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, we are able to provide the kind of care which is available only in a large medical center. Ours is one of only 108 such medical centers in the United States.

In addition to offering this kind of medical espertise, a second distinctive of our patient care is the Christian concern for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnel throughout the Center. The Department of Pastoral Care seeks to minister specifically to the spiritual and emotional needs of patients and their families.

Baptist Hospital does continue to serve patients who cannot pay for their hospital care. Even with the tightening of admission policies and procedures, only one person in twelve months - i.e., one in approximately 17,000 applications for admissions - was not helped. In 1971, charitable allowances amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of $371,000 helped make this charity work possible.

The hospital takes pride in its record of charitable work, but would like to help our

Baptist people to understand that there are other aspects of its work also which justify its existence as an institution of our Convention and make it worthy of the support of our churches.

The operating deficit has been eliminated and the hospital is now operating "in the black".

The new patient tower is being completed and some departments have already moved into the lower levels. Complete occupation should take place by January, 1973. One additional unit housing the emergency room and out patient clinic, is scheduled to be completed by 1973. This will conclude the present development program.

"A Medical Center ministering with skill and understanding" is not just a letterhead slogan; it is a goal which Baptist Hospital seriously strives to attain.

Respectfully submitted,
Rev. John B. Long, Chm.

CHAPLAINCY MINISTRY REPORT

The work of the Chaplaincy Ministery did not go as well as we would have liked for it to have gone the first year. However, there were some things accomplished that we feel were helpful to those served and to the Kingdom of God.

The Chaplain has assisted the Gospel Ministery to the inmates at the North Carolina Department of Corrections, Monroe Camp. He is involved in the many programs carried on by the Union County Council on Aging. This Council is concerned with the needs of the elderly of the county and provides them with various activities in recreation.

At present, plans are underway to make a survey of the county to determine where our elderly are and their needs. The Churches will be contacted at the first of 1972 about helping in this survey.

At present, the Chaplaincy Ministery is being carried on, on a part time basis with no funds. The Chaplain feels that the work can never be what God would like it to be until a full time work is being done.

Respectfully submitted,
J.F. Cunningham, Jr., Director
Chaplaincy Ministries

1972 REPORT OF THE BIBLICAL RECORDER

The BIBLICAL RECORDER IS NEARING THE 100,000 mark in circulation - thanks to churches and individuals all over the state who have helped to bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the RECORDER in every Baptist home in North Carolina.

Not only in circulation progress, but in other ways this has been a good year for the RECORDER. During the year, Woodrow W. Hill, well-known pastor and writer, came with the RECORDER as field representative. He will be speaking in associations, churches, pastors' conferences and in other meetings all over the state. Thus he will join the editor and associate editor in seeking to carry the RECORDER message to every corner of North Carolina.

This was also the year that the RECORDER went to computer. Because of the growing

circulation, this had to be done.

As it has in the past, the RECORDER SEEKS to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the RECORDER in the budget, or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The RECORDER WILL BE 140 years old next January 18. Those responsible for its publication each week recommit themselves to the important ministry of the printed word.

Respectfully submitted,
J. Marse Grant, Editor
BIBLICAL RECORDER

CHILDREN'S HOMES REPORT

The mission of Baptist Children's Home of North Carolina is to provide loving care in the spirit of Jesus Christ, working in harmony with what they sense God is doing in the life of each child, enabling the child to tap his own inner resources and grow to responsible adulthood.

The pursuit of this basic goal has led the Children's Homes to develop a variety of services all family centered. Some families need resident care for their children and for these we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Our services are made available through strategically located facilities throughout North Carolina: in the East at Kinston, Pembroke, Fayetteville and Raleigh; in the Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

On September 26th at Kennedy Home, Dr. W.R. Wagoner, Agency President, speaking to the annual eastern area conference, pointed out the agency's progress over the past year and some of the challenges facing us in the future. He noted that 57% of the agency's income last year came through the Cooperative Program, Thanksgiving Offering and Special Gifts. Last year Baptists increased their Thanksgiving Offering by $35,000 (10%).

Dr. Wagoner announced a $150,000 challenge gift from J.E. Broyhill family of Lenoir toward building an administration recreation building at the Broyhill Home. Such a gift challenges us to do more to help meet the needs for all our homes over the state.

Let us not rest on our laurels. Much good has been accomplished; but in a weakening world where there is less love and consideration for the unfortunate, we need to be more thoughtful, more generous and helpful.

"Thou shalt love thy neighbor as thyself."

Respectfully submitted,
J.B. Helms, Chairman

CHURCH TRAINING REPORT

"Our Training Union has died" or "we can't get people interested" are familiar quotations from pastors and church leaders during the past five years. It is sad indeed that as our need for training has changed in recent years, our churches have not met this need. The old idea of, "take the fourth part" lingers with us and drives many people away on Sunday evening.

Training and learning begin in delight and flourish in wonder. To learn is to love. Any sound training must grow from this principle. Why have our denominational leaders changed their thoughts on the roll of church training in recent years? Because they realize that the training of an individual must take place in a pleasurable atmosphere and then, and then only, will the person be motivated to serve through his church. The old idea of a different program each Sunday night with four or five burdensome parts must be replaced by an enjoyable discussion of a topic which is of particular interest to the group. Your Associational Church Training workers stand ready to help any church to find the excitment of a training program for the "70's".

The Associational Church Training program for 1971-72 has promoted the following meetings with a fair amount of success.

1. "M" Night at Monroe First Baptist in November.
2. Youth Night at West Monroe Baptist in April.
3. Scripture Exploring Drill and Festival of Creative Arts at Waxhaw Baptist in May.

It is my prayer that in the years ahead that pastors and church leaders in this association will look positively at the area of church training to open doors of witnessing and happy family living.

Respectfully submitted,
O. Max Melton

CHRISTIAN HIGHER EDUCATION

May your prayer be: "Lord help me to have an outreaching vision of young men and women, numbering almost fifteen thousand, who are dedicated and committed to Christ in Our Church-Related Vocations."

How far do their services and influence extend? These extend, not only to the Christian youth in your local church, but to the migrant workers in eastern North Carolina; to the wide open spaces of Texas and valleys of California, where they need to hear the love of Christ and see exhibited the Concern of Southern Baptists. Only eternity will bring these services into focus as we reach the end of the way.

The following quotes should help us to be eternally grateful for Baptist schools: "The purpose of Gardner-Webb is 'to develop quality Christian students who will dedicate themselves to the Christian way of life in the vocation of their own choice.'" "Administrators and professors at Chowan College continually upgrade their education and preparation to provide the best possible Christian education to their student." "Campbell College feels that in the light of national and world conditions the Christian college is one of the finest investments Baptists are making today." This one from Wingate: "We are deeply grateful to each and every Baptist in North Carolina for the encouragement and for an investment in our program of Christian Higher Education. Our philosophy is 'an investment in a young person is an investment in eternity.'"

Likewise all of our other Baptist schools can be included in these words: "Together

we seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ."

Financial support for our Baptist schools comes from two strong sources: the Cooperative Program and the Baptist College Scholarship Offering Day. To these we should give our full support, because Baptist schools along with other colleges in the private sector of higher education are experiencing grave difficulties particularly in the matter of rising cost.

Respectfully submitted,
Z. G. Ray,
Chairman

CITY AND METROPOLITAN MISSIONS DEPARTMENT

Metropolitan Missions Department, a ministry of the Division of Missions, promotes three programs of work; namely:

1. Urban Church Missions - This is designed to render assistance to urban church areas through conferences, church extension ministries, pastoral and lot assistance, and shopping center missions.
2. Christian Social Missions - This area of work is for rural and urban areas. It majors on church community weekday missions, youth and family services, literacy missions, migrant and relief missions.

Some of our accomplishments this year were as follows:

1. State-wide Metropolitan Missions Conference, High Point.
2. Urban seminar in co-operation with Home Mission Board and Southeastern Theological Seminary.
3. Assistance to churches: pastoral aid to twenty-nine (29) churches in the amount of $32,000; lot aid for twenty-three (23) churches in the amount of $29,000.
4. Literacy workshops to train teachers to teach and tutor non-readers.

1972 COOPERATIVE PROGRAM REPORT

The Cooperative Program is a part of the tithes and your offerings given through your church. Thus, your dedicated life with a part of your day-to-day labor goes toward witnessing to a lost world.

The Cooperative Program is sharing your love of God through 6,000 state, home and foreign missionaries. Last year they were instrumental in bringing more than 66,000 people to Christ who in turn followed Him into the water of Baptism.

The Cooperative Program is busy training capable leaders by helping students with scholarships in more than 800 Baptist schools with more than 100,000 pupils around the world.

The Cooperative Program is ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations. You helped more than 1,000 patients last year who could not pay the cost of their care. The Cooperative Program aids in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children plus more than 2,000 elderly people through Children's Homes and Homes for the Aging throughout the world.

Last year 1,020 Baptist churches in North Carolina increased Cooperative Program giving by 10 percent or more over what they contributed the previous year. Did the church where you serve increase this much?

Your Associational Cooperative Program Committee used three methods to try and increase our gifts to missions.

EVANGELISM REPORT

The primary work of the church is that of winning the lost to Jesus Christ. The church must not be side tracked by secondary matter. The work of evangelism brought our Saviour to this earth to suffer, to bleed and die that all men might be saved. The churches of our association have the privilege of working with our Lord in this great endeavor. During the year, we had an evangelistic clinic and two lay witnessing schools. Only time and eternity will reveal the true results of our efforts.

At least three emphasis should claim our attention during the next year:

1. The Lay Witnessing Schools. Every church can have one or attend one.
2. There should be an increased person to person witness. In our day most people are won this way.
3. We must some how regain those who have become inactive.

There are no short cuts, the work is hard, but as we give ourselves in prayer and proclamation, we will see the fruit of our labor.

Respectfully submitted,
John Steverson, Chairman
Evangelism Committee

GOOD GOVERNMENT REPORT

We feel that the time has come when witnessing Christians must take an active part in the upgrading of our whole government structure. We can no longer stand aside to "let George" do it. If we do, we are abdicating our rights and interests in good government. We are urging that each of you becomes informed, active voters. Let the candidates know what you believe and what you expect from them as Christian witnesses in the area of politics and government. This can only be done on an individual level, eye to eye with government officials on the local, state, and national levels. Between now and November 7 stand up to be counted for what you believe.

Respectfully submitted,
Mrs. Sam Gaddy

PRISON MINISTRY REPORT

In the beginning of the fiscal year '71-'72, we were privileged to have as our chap-
in Rev. J.F. Cunningham. His efforts and activities were deeply appreciated by the
mmittee and the prisoners. Under his leadership the services were being conducted
various ministers of differing denominations. The participation was to be on a
lunteer basis, but it must be inter-denominational because of the guidlines of the
ison officals and the requirements of the N.C. Prisons.

During the year, Rev. Cunningham resigned the position of chaplain for various rea-
ns. Now Rev. Harold Sharader, the pastor of Bethlehem Methodist Church, is acting
aplain. Prison ministry work is a volunteer work that must come under inter-denom-
ional organization, Union County Ministerial Association. Our committee seeks to
ork with this group in this area. We would like to encourage all pastors, who would
e willing to help conduct the services at the prison on Sunday mornings at 9:00 AM,
contact the chaplain.

STUDENT WORK

The year 1972 marks the Fiftieth Anniversary of Campus Ministry among Southern
aptists. The Baptist Student Union and the staff of the Department of Student Work
e a specialized focus of the denomination as it seeks to work with those in the
cademic community.

There is a Baptist Union ministry on some 30 campuses in North Carolina. In
any of these situations local ministers and laymen serve in a part-time or volun-
er capacity in order to make the ministry possible. Fourteen campuses are served
full-time campus ministers.

The ministry on these different campuses finds varying organizational expressions,
t each unit operates within a basic philosophy and guidelines decided upon by the
onvention. The building of a Christian community is perhaps the major emphasis of
e campus ministry. Worship, study, service, witness and fellowship are other major
cets of the work.

Two major statewide student meetings are held each year with approximately 300
udents participating in each of these conferences. Various student mission projects
e conducted and financially supported by students each summer. These projects
end students into the churches in youth ministry, into the inner-city, and into resort
reas.

Other statewide activities include evangelism clinics, area retreats, a basketball
ournament, a conference for church workers with college students, a retreat for high
chool seniors, and a conference for International students. The department also co-
perates with churches in the "on-to-College" and "Student Night at Christmas"
mphases. Some of the projects are sponsored jointly with the program or department
ithin the Convention: WMU, Youth Ministries, Sunday School, Resort Ministries, etc.

Those who serve as your ministers through the Department of Student Work really
ould like to share in worship services of special emphases or with small groups
n the churches and associations of the Baptist State Convention.

Respectfully submitted,
James Y. Greene, Director
Department of Student Work

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union

MINI-HISTORY OF FAULKS CHURCH

On July 5, 1851, a group of people consisting of 13 women and 22 men, under the eadership of Rev. Solomon Snyder petitioned their respective body at Mount Olive aptist Church to dismiss them in order that they might constitute a Church Body t Faulks. Mount Olive Baptist Church met in conference the 19th day of July, 1851, nd granted the request of these persons for the purpose of organizing Faulks Baptist Church. According to the request of Rev. Solomon Snyder, on August 1, 1851, the Rev. .L. Davis, Rev. E.C. Williams and Rev. S.P. Morton attended and held a Presbytery and onstituted the group, a Church called Faulks Baptist Church after which they drew up nd recorded articles of faith and constitutions. The location was a few hundred feet rom the present building. Rev. Solomon Snyder was the first called preacher. Around 900, the old Church was sold and a new building erected, Rev. D.A. Snyder served as astor until his death, May 13, 1907. Rev. Joe Bennett and Rev. Cull Davis served as astor until 1912. Rev. E.C. Snyder was given a call as pastor of which he served for he following twenty-five and one-half years. Mr. Snyder served the church very faithully, the Church grew during his pastorate. Prior to the calling of Rev. J.B. Little, he Church was destroyed by fire. Upon the leadership of Rev. Little, a tabernacle was rected to be used until a more ample building could be built. While the tabernacle was eing used, it was under the leadership of Mr. Little that a spacious brick building as erected and funds raised sufficient to liquidate the cost. Mr. Little served as astor for ten years. During his pastorate, he was instrumental in organizing a standrd Sunday School and a Training Union. Mr. Little resigned to accept a call to Hartsville, South Carolina. Mr. George Burch was called as Pastor and served until the all of 1949.

Dr. Ernest D. Hancock of Star, North Carolina, was then called as Pastor. Dr. Hancock was not only a minister, but was a noted Bible scholar. He had conducted ible study courses at various churches throughout the State. Our Church looked forward o the two Bible study periods each week during his pastorate. Average Sunday School ttendance went to 303 during the time of Dr. Hancock's pastorate. Dr. Hancock's astorate terminated suddenly due to his having a heart attack. The Rev. J.B. Little nd others served as interims until the Rev. A.E. Madaris of Green Cove Springs, Florda, was called to serve as pastor. We were fortunate to secure Mr. Madaris as our astor. Under his leadership, our Church has gone forward in many phases - a very pacious Educational Building was built - a new piano was purchased - and many ther improvements were made.

We are proud of our Church as a whole, we are indeed fortunate to have the leader-

ship that we have had in the past and still have. We are extremely proud of our Musi Department, under the able leadership of Keith Pierce for many, many years the choi is very faithful for each service.

The young people at Faulks Church participate in many activities and variou types of public service for which we are thankful.

A good number of elder folk take their place each Sunday and participate in th services - we, here at Faulks are indeed fortunate to have all these.

MINI-HISTORY OF PHILADELPHIA CHURCH

The year 1773 is listed in the records as the date of the beginning of this churc first called Lanes Creek Baptist Church. It was first located about 100 yeards south o the old Lee Tanyard place on the Lanesford Road a few miles north of Pageland, Sout Carolina but it was in North Carolina. The church was originally a member of th Charleston Association, and then the Moriah Association. Records show that the joined the Moriah Association in 1815, so they had withdrawn from the Charlesto Association about that time.

The first pastor was Elder Jessee Lewellyn and sometime later he led a part o this church to become Anti-missionary in their belief, but this group died about 186 The missionary group then had Elder J.T. Copeland as their pastor until they unite with Brown Creek Association in 1857.

The land for a new church site was donated by Aurelios Hilton and a new churc was built in 1848-49. The former meeting place was built of logs and before that Brush Arbor was used for a meeting place.

Afternoon Session, October 30, 1973

1. The One Hundred Nineteenth Annual Session of the Union Baptist Association was called to order by Moderator Lawrence E. Funderburk at 3:00 p.m. on Tuesday, October 30, 1973, in the Faulks Baptist Church.

2. The worship period began with the singing of "Stand Up, Stand Up For Jesus" led by Kenneth Griffin with Loyd Brooks at the organ. Raymond Owens, Union Grove Church, read from the second chapter of Philippians and led in prayer.

3. With Vice-Moderator John Wood presiding, Raymond Owens moved the adoption of the printed program as the order of business for this year's Annual Session. Motion seconded and carried.

4. The Vice-Moderator welcomed messengers and visitors in attendance with special recognition to the new pastors in our Association and visitors from other associations: David Bobbitt, Interim, Benton Heights; Horace Buchanan, Interim, Oakland, Terry Preslar, Howie; William Gandy, New Salem; Everette Chapman, Wingate; Robert Latta, Macedonia; Robert Howard, Austin Grove; Harold Helms, Faith; Leonard Horne, Mount Pleasant; Earl Mosteller, King Memorial; and John Grant from Mecklenburg Association.

5. Mr. Wood then presented Lawrence Funderburk for the Moderator's address. Mr. Funderburk used the twenty-seventh chapter of John as a basis for his message entitled "Sharing Christ Through Revealing Yourself". The Moderator brought a very inspiring message urging his hearers to accept themselves for what they are and to realize that "we are not alone in our tasks because God has promised to be with us." He challenged each one present to share Christ in his daily living.

6. Sharing Christ through Social Ministries - Earl Sossoman moved the adoption of Reports. Calvin Knight, from Baptist Hospital, spoke to the reports. Mr. Knight brought greetings from our Hospital and told of some of the techniques that are now being used at the hospital. He challenged the people to increase their Cooperative Program giving because it is through this means and the Mother's Day Offering that each one has a share in all the ministries of our Hospital. Motion seconded and carried.

7. Bob Stump brought greetings from our Children's Homes.

8. Congregational Hymn - "Onward Christian Soldiers"

9. Organizational Reports - Mrs. Cliff Adams moved the adoption of the WMU, Sunday School and Church Training reports as printed in the Book of Reports. Motion seconded. So ordered and reports adopted.

10. John Wood introduced Reid Barnett of the Shiloh Church for a message: "The Layman Shares God's Word". Mr. Barnett related some personal experiences in sharing God's work with people he comes in contact with in his daily work. He reminded the congregation that "God is looking to each one of us to do our part" in witnessing and sharing.

11. Congregational Hymn - "I Am Thine, O Lord"

12. Time-Place-Preacher Report - J.D. Helms reported that next year's Annual Session will be held at Benton's Cross Roads Church on Tuesday, October 29, 1974, and at Mill Creek Church on Wednesday, October 30, 1974, with the Rev. Joe Larrimore as preacher and the Rev. Earl Sossoman as alternate.

13. Report on Constitution and By-Laws - Joe Larrimore brought the following change to be made in Article 24 - Ordination Committee: The sentence which now reads "This committee shall be composed of eight members - six ordained ministers, two laymen." be changed to read "This Committee shall be composed of eight members - four ordained ministers, four laymen." Brady Connell moved this change be made. Action on this item will take place on the second day of Session.

14. J. Hilton Brooks, Chairman of Hospitality Committee, welcomed messengers and visitors to Faulks and gave instructions about Church facilities and the evening meal.

15. Brady Connell moved the adoption of Trustees report as printed in the Book of Reports. Seconded and so ordered. Mr. Connell also gave a report on the progress being made on repairs at the Associational parsonage.

16. Congregational Hymn - "There Shall Be Showers of Blessings"

17. Annual Message - Clay Edwards, Jr., Pastor of New Hope Church, read First Corinthians 13:13-20. The annual message emphasized the vital role that each Christian should play in sharing the good news of Christ with the rest of the world. Rev. Edwards said that too many Christians are willing to be spectators in the game of life, saying that we are too involved with the good things of the world to sacrifice the time and effort that it would take to become active participants in the game. He ended by making a plea that we, as Christians, become involved in sharing Christ with the world. He said that we need each other and asked each one to help in some way, however small, in this "great commission". Mr. Edwards led the closing prayer and returned thanks for the evening meal.

22. Coy Privette, Pastor of North Kannapolis Baptist Church, also President of the Christian Action League, was introduced to speak on "Public Morals". Since the Association was just before the statewide vote on liquor-by-the-drink, most of what he said dealt with this issue. The emphasis in this message was that in order to share Christ, we must know God and what He can do, and forsake all to follow Him. Mr. Payne further said "it is time that as 'God's men' we need to be sharing Christ." Mr. Payne led the closing prayer.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society and the Southern Baptist Convention work cooperatively as "partners" in sharing the Good News of Jesus Christ to people around the world. This is a tremendous challenge, calling for the widest possible distribution of the Scriptures. Since the eternal truths of the Bible speak to the heart and mind of man, the sole purpose and mission of the Bible Society is to make God's Word available to all men everywhere in a language and form they can easily read and understand and at a price they can afford.

To fulfill this urgent need, the Bible Societies have embarked on an ambitious program for the development of Scripture Literacy Selections to meet the rapidly mounting rate of literacy growth around the globe. This program is being built on the theme: "Let the Word Speak".

"Graded" Scriptures are being designed on five progressive reading levels to lead new readers from literacy primer levels to reading levels of the normal "common language". Before the end of the decade, these Scripture Literacy Selections will be prepared in one hundred languages.

At the same time, the Bible Societies are translating the Scriptures into understandable, everyday language, such as "Good News for Modern Man", the New Testament in Today's English Version of which over forty million copies have already been distributed - the all-time "best-seller" in the history of paperback publications.

In addition to "Good News", "common language" Scripture translations have already been completed in Spanish for Latin America, Spanish for Europe, Dutch, French, German, Korean, Finnish and Thai, and work on thirty-nine similar translations in other languages is already underway. All translations are being made from the original Greek.

At the present time, nearly 97% of the world's people can secure at least a portion (single book of the Bible) in their own language. Approximately 3,000 translators are presently at work on some 600 new translations and revisions. At the end of 1972, at least one Book of the Bible had been published in 1500 languages and dialects - the complete Bible in 255. (At the end of 1965, the Scriptures were available in only 1250 languages and dialects.)

During 1972 the American Bible Society:

- distributed 121,122,596 copies of Scripture within the United States. This 34.4% increase in distribution over 1971 reflects the continued growth and interest in the use of Scriptures.
- supplied 53% of the 1972 United Bible Societies' World Service Budget, thereby providing over one-half of the year's total distribution of 218,429,595 Scriptures.
- continued to publish and distribute thousands of copies of Scripture in other familiar versions: King James and Revised Standard
- provided 704,849 copies of Scripture for the blind in special format - Braille, records, tapes, and cassettes.
- opened a new Southern regional distribution office in Atlanta, Georgia, to serve better the Scripture needs of Christians in the South.
- published "Wisdom for Modern Man: Proverbs and Ecclesiastes" in the Today's English Version. Also published, at the request of the Home Mission Board and the National Student Ministries of the Southern Baptist Convention, the "Jesus" Book for the January Bible Study needs throughout the Southern Baptist Convention.
- made thousands of Scriptures available to the Southern Baptist Convention for

the 1973 nationwide evangelistic campaign, Key '73.

- invited Miss Alma Hunt, Executive Secretary, Woman's Missionary Union, SBC, as a delegate to the first United Bible Societies' World Assembly in Addis Ababa, Ethiopia, in September, 1972.
- provided and distributed 2,196,844 copies of Scripture at Explo '72 during June, 1972, in Dallas, Texas.

Southern Baptists have long considered the American Bible Society an essential part of their worldwide mission program and support it as such.

Resolutions commending the work of the ABS and requesting churches to contribute to its ongoing support are regularly adopted by State Conventions and by the Southern Baptist Convention.

Through gifts to the ABS, South Baptist Convention churches show their deep and continued interest in providing the Word of God for people everywhere in their native tongues.

During these past six years, Southern Baptists have led all other United States denominations in their gifts to the ABS. Southern Baptists can continue to lead if EVERY CHURCH will contribute. Has YOUR CHURCH given this year? A suggested goal for giving is:

Small churches - $10-$60; Larger churches $60-$300; Larger city churches - $300-$600 or more.

Please send all gifts from your church to your State Baptist Convention office, marked "for the American Bible Society".

ASSOCIATIONAL MISSIONARY'S REPORT

"What about it?" or "So what?" How many times have you been answered by the words above? Many are the times I have received these answers in response to a question or questions.

My heart is greatly disturbed by many things in our Association or in the churches in the Association, and I am inclined to feel that if and when I put the question to responsible people that my answer will be in the vain of "What about it?" or "So what?"

Several of those things that are heavy upon by heart are listed below:

1. The host of churches that have no Sunday Evening Service.
2. The host of churches that have no Church Training Program. (Recently, I read someplace of ten ways to kill a church. Cutting back or cutting services was one of those mentioned.)
3. The introverted isolationism that many churches have assumed.
4. Number three can only result in the failure of the church. "Where there is no vision, the people perish."
5. The churches that have failed in their support of Associational Missions and World Missions through the Cooperative Program. Some of our churches make no contributions at all, others only a token gift. The "Great Commission" is World Missions starting here at home and extending on the ends of the world. Neither church nor church people can claim faithfulness to Jesus when this "Great Commission" is denied.

Many have failed to make any increases through the years. Many have failed to consider the very high cost of operation and inflation that is upon us all. Others have gone on the basis of "What do I (we) get out of it?" This is a selfish motive and contrary to the Scripture. Jesus did not ask what He would "get out of it" but He willingly carried out the will of the Father. His joy was in obedience. I have enough to account for without adding this to my charge. What was it that Jesus said to the church of Ephesus? Revelation 2:4a "Nevertheless I have somewhat against thee."

6. The lack of interest manifest by our churches where there is no Baptist Men's group or RA Chapters. Men who have been touched by God are the backbone of the church and in so many instances the spiritual backbones have been completely neglected or forgotten.

7. The inadequate support of the pastor. "The laborer is worthy of his hire." I know I tread on sacred ground here as far as many are concerned. A preacher of the Gospel cannot effectively minister to a people when he is constantly burdened down with meeting his needs in the area of finances. The church actually does damage to herself when she fails in this area. I know of no other work in the world that has a way of drawing from a person the deepest love and sympathy, and concern, than that of being a pastor. This results, many times, in his going overboard financially in order to help you. He even neglects his family to do this. FREE HIM, so he can do his work. Eight thousand dollars basic salary isn't asking too much. DO IT.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

In May of this year, Baptist Hospital observed its Fiftieth Anniversary. The hospital opened its doors in May, 1923, "to bring the healing art more definitely under the dominion of the Great Healer."

The Anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a sixteen-story patient care facility. The completion of the Tower brings the total bed capacity to 655 - placing Baptist Hospital within the top 10% (in size) among hospitals in the United States. When the renovation of the older sections of the hospital is completed, the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

Last November, the Baptist State Convention heard the report of the Committee of Fifteen and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee composed of eight Trustees from the Baptist Hospital Board and eight from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.

2. In January, the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was $1,390,000 - nearly four times the amount of the Mother's Day Offering - and this does not include the

value of physicians' service provided without cost to these service patients.

3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff on June 1st to head-up this new work. The Department also anticipates the establishment of several satellite counseling and training centers in the state beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospitals financial operation is "in the black", and there has not been a general room rate increase in two and one-half years. As of this date, the Mother's Day Offerings are running ahead of last year.

BIBLICAL RECORDER REPORT

This has been another good year for the BIBLICAL RECORDER, thanks to your support and confidence. One of the milestones reached in the past year was passing the 100,000 mark in circulation. This occurred in May and circulation has now risen to nearly 106,000 - the highest in the 140-year history of the RECORDER. This has been achieved largely because more churches are putting the RECORDER in the budget, thus saving money and also time and effort that is put forth each year to renew their subscriptions under the Club Plan of four or more.

All of these things are encouraging to those getting out the RECORDER each week. They feel their obligation to North Carolina Baptists is to get out the finest paper possible - one that is attractive and filled with interesting and helpful material. In addition, new coverage of meetings such as the Committee of Eleven is needed if North Carolina Baptists are to settle this issue which has come up in the last two state conventions. Associate Editor Toby Druin has covered every meeting of this Committee which is studying the baptism issue in our State. The RECORDER will carry the full report of this Committee sixty days before the Convention meets in Greensboro. The RECORDER'S coverage of these important meetings will do much to help messengers arrive at the right decision in November. This is the Baptist way - full information which comes with freedom of the press.

As you know, the RECORDER has for years led the fight against liquor-by-the-drink. Now, the issue is up to the people in a statewide referendum on November 6th. The RECORDER will continue to give you information that will help win this fight against the liquor interests and those who profit from liquor-by-the-drink if this passes - which we hope and pray it won't. If individual Baptists will become as concerned about this evil as the RECORDER is, a great victory for decency will be won in November.

Those of you who receive the RECORDER know what it contains each week--timely editorials, news of your fellow Baptist churches and fellow Christians, excellent photographs and covers, interesting personal columns, Letters to the Editor, and many other features. It is a Baptist family journal devoted to that which is wholesome and helpful.

Those of you who don't get the RECORDER should subscribe immediately, either by putting the RECORDER in your budget for only $2.50 a year or by starting a club of four or more for only $3.00 a year. Where else can you get so much for so little?

1973 REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Christian child care is a creative opportunity. The Baptist Children's Homes of North Carolina are committed to quality care which nurtures the whole person, physically, mentally, emotionally, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

This has been a year of development and constructive change for the Homes. The entire agency has voluntarily met the minimum standards for child-caring agencies and has been licensed by the State of North Carolina for all of our services to children and their families.

Each of the three administrative areas has realized significant growth. In the Western Area, two additional cottages have been completed and occupied at Broyhill Home and construction has begun on the administration building and the recreation building. The Maternity Home continues to operate at or near capacity in its service to unwed mothers. In the Eastern Area, a new cottage is being built at Kennedy Home and the foster care program has been enlarged.

In the Piedmont Area, three developments deserve special attention (1) Mills Home has a new administrative organization. The twenty cottages have been divided into four units of five each, and each unit will have a unit director, two social workers and the cottage personnel. These smaller units will provide closer working relationships between staff members, between staff and children, and between staff and families. (2) Wall Home at Wallburg has been re-opened to provide for a group of boys, utilizing the special skills of the houseparents in an outdoor adventure program. (3) We are negotiating with Baptists in Alamance and Mecklenburg counties for the establishment of emergency care units. These units will be joint ventures between the Homes and the local supporters, with the local group providing the buildings and the Homes operating the program of care.

Three pressing needs are laid on the hearts of Baptists who are concerned for our ministry of Christian child care: (1) We need many families who will open their homes to accept foster children. Any family interested in exploring this Christian service to children should write or call the nearest office of the Baptist Children's Homes. (2) The increase in the cost of food, clothing, supplies and services makes the Co-operative Program and the Thanksgiving Offering all the more important to our continuing services. We need significant increases in both to meet rising costs. (3) Several old cottages remain which need to be replaced with new cottages better suited to present patterns of child care. The development staff welcomes the opportunity to counsel any person regarding his lasting investment in Christian child care.

CHRISTIAN ACTION LEAGUE REPORT

The Christian Action League is actively engaged in an all-out campaign to defeat the referendum in a vote against liquor-by-the-drink on November 6, 1973. The plan of action is to organize a local county chapter in each of the one hundred counties

of the State. A multi-media advertising campaign costing $250,000 is being projected to cover the State with the truth about what liquor-by-the-drink will do in North Carolina. All this is aimed at getting the people to the polls on November 6th. Complacency on the part of dry supporters could be the biggest danger that is faced in this campaign. Dr. Charles Petty, who has recently moved to Raleigh from Texas, and who is the Director of the Christian Life Council of the Baptist State Convention had this to say about "The Texas Story";

"In 1970, Texas approved liquor-by-the-drink sales. The vote was 52% for and 48% against.

The irony was that the 'dry' won 203 counties while the 'wets' won only 51 counties. The 'drys' lost for two basic reasons. The first was they didn't work very hard. Those in the urban areas said, 'We can't win, so why work?' Thus they didn't work and the urban areas were lost by wide margins.

Those in rural areas said, 'We can't lose, so why work?' Thus, they didn't work and the rural areas were won by narrow margins. Unfortunately, the large urban losses offset the small rural victories which resulted in a state-wide defeat of the 'drys' (979,868 for LBD, 914,481 against LBD).

The second reason for the defeat was an economic one. To tell your story takes money. The 'wets' had it, and the 'drys' did not. Thus, a one-sided story was told and Texans believed what they were told. 'Drys' must remember that every vote counts and every voter must be told the truth. 'Go quickly and tell'."

As concerned Christian citizens we can do several things:

1. Pray for the success of this campaign and for all of those who are involved in its promotion.
2. Help the local unit of the Christian Action League in your County in its efforts to inform the people, alert the citizens and get the dry vote out on November 6th.
3. Give of your financial resources, of your time and talents in this most vital vote for the welfare of our State.

CHRISTIAN EDUCATION REPORT

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist colleges. Another outstanding example of church-college cooperation is the Baptist Youth Corps, which provided dedicated student leadership for more than eighty North Carolina Baptist churches during the summer of 1973. On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

Cooperative Program

Your North Carolina Baptist colleges continue to be grateful for the support which comes through the Cooperative Program. During 1973, more than two million dollars will be given to support Christian higher education. Your colleges share this support as follows:

Campbell College	$ 340,721
Chowan College	212,951
Gardner-Webb College	249,153
Mars Hill College	296,002
Meredith College	296,002
Wake Forest University	517,471
Wingate College	217,210
	$ 2,129,510

The Importance of Baptist Students

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrollment in one of the seven North Carolina Baptist colleges.

Council on Christian Higher Education

Since 1945, the cooperative efforts and relationship of North Carolina Baptist colleges have been coordinated by the Council on Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to create persons and a world as Christ would have them.

CHURCH TRAINING REPORT

Jesus "loved the church, and gave Himself for it" (Eph. 5:25). The Church Training plan seeks to lead church members to love their church and find joy and fulfillment in visible support of it on Sunday night. Jesus said, "I will build my church" (Matt. 16:18). Church Training is designed to help build the church and to lead church workers to a deeper commitment to its total program. God led Paul to write, "I have planted, Apollos watered; but God gave the increase" (I Cor. 3:6). Training seeks only to "plant and water". We are dependent on God to empower our efforts with increase. "If my people, which are called by my name, shall humble themselves, and pray, ... then will I hear from heaven" (2 Chron. 7:14). God says if we will do our share, He will do His share.

There is no doubt about it! God established the church. Christ loved it. The Holy Spirit empowers it. But God has chosen to work through men and women. If God's work gets done, it will be through the efforts of persons empowered by God's Spirit. Yes, God gives the increase, but He needs a "Paul" to plant and an "Apollos" to water.

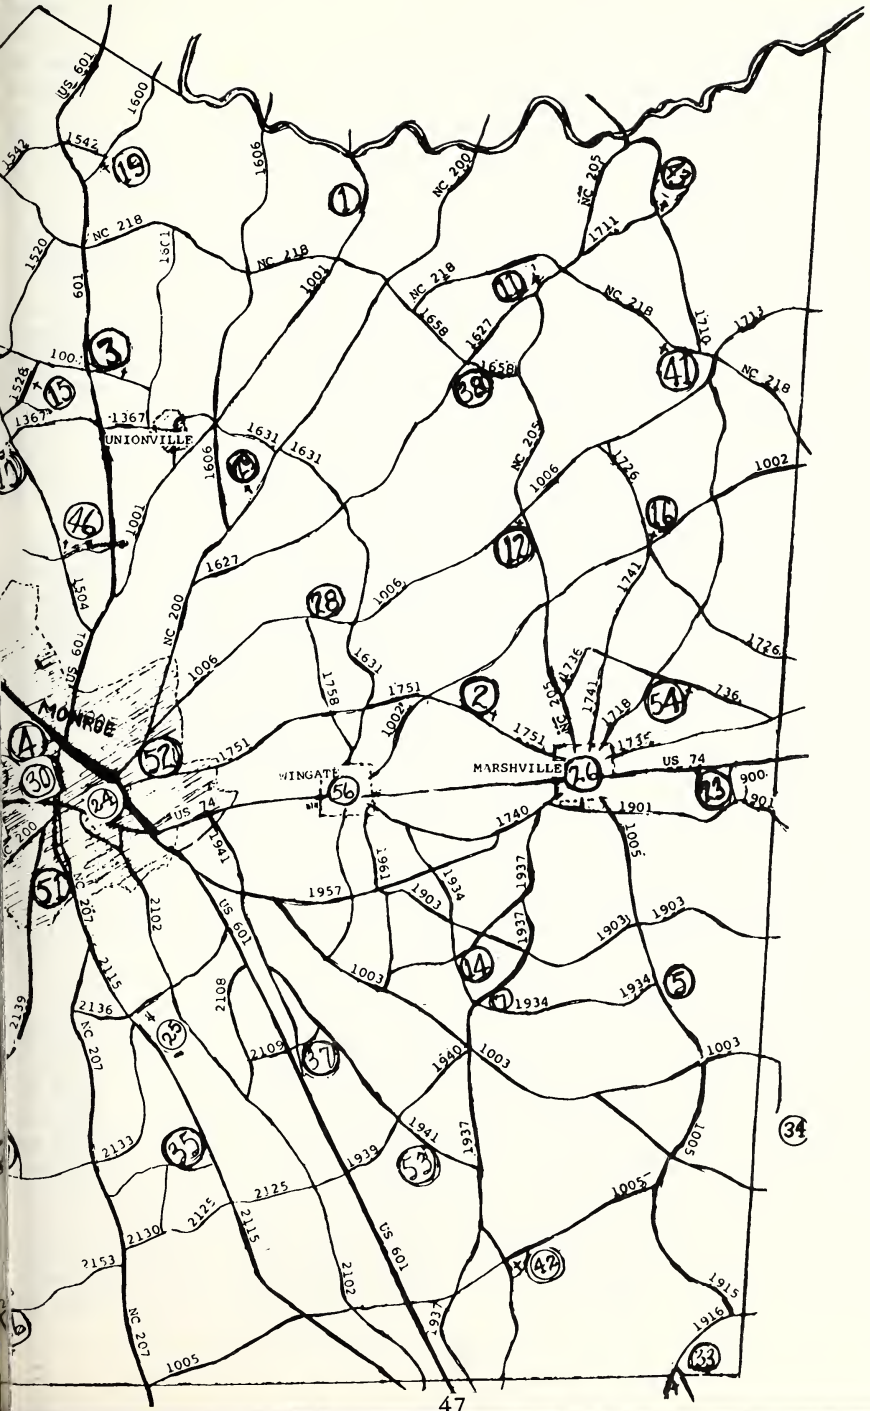
NION
ASSOCIATION



The ideas above were taken from a promotional booklet called: "Church - The Sunday Night Place". I believe them and have a deep conviction that church is the place for true Christians to be on Sunday night.

When members of Church Training gather in small groups at Church, they experience meanings in the Christian life. These experiences can enable them to move out to share Christ's love in all of their life events.

CITY AND METROPOLITAN MISSIONS DEPARTMENT

Urban Missions continues to challenge Baptists. The accelerating, revolutionary character of change has made ministry hard, if not difficult. Perhaps a part of this is due to the lack of the Christian response to the present challenge. Perhaps another part may be that our attitudinal factors of this perspective are out of focus. Could it be that we have lost the ability to view life as a stewardship rather than a possession? Or the capacity to see life as dynamic rather than static?

Christianity itself is a movement, not an institution or series of institutions. Christians best refer to themselves as the people of God - persons moving along a life path, growing, maturing, learning, coming of age.

Christians can align themselves with God in ministry in this world. We must hear what God has to say. We should respond to God's summons - get involved! Metropolitan Missions is about the task of helping churches and God's people to find structures through which the uniqueness of God's creatures can be discovered and expressed. We have ministered in Jesus' name. Yet, there are others calling to us to come over and help; in the shopping center ministry, to youth and families in trouble, to weekday missions, to literacy missions, to understanding and sharing Jesus with other faiths, to crossing barriers with the gospel, to people in poverty materially and spiritually, to flexible spiritual ministry, to ministries that glorify God. "Why stand ye gazing into the sky? This same Jesus will come again." Get to work NOW in His Name. The people of the city need the gospel, too!

EVANGELISM REPORT

"SHARING CHRIST NOW" was the theme of the Twenty-seventh Statewide Evangelism Conference at Ovens Auditorium, Charlotte, on February 5-7, 1973. Over 2400 Pastors and lay persons were challenged by outstanding speakers to lead their people to become more involved in the work of evangelism. The closing session on Wednesday, February 7th, was held at Pritchard Memorial Church, with an emphasis on prayer and personal renewal.

The Division of Evangelism has encouraged churches to participate in KEY 73. One hundred and fifty denominations are sharing in this evangelistic effort. The purpose of KEY 73 is to unite all Christians in the task of evangelism and to enable Christians to confront every person in the United States and Canada with the Gospel of Christ.

It is thrilling what the Holy Spirit is doing through the ministry of our first summer youth evangelism team. Three college students - Steve Stout, Cooleemee; Terry Crouse, Lenoir; and Christy Farrior, Williamston; are leading in music, preaching youth revivals, and directing youth witness training sessions in churches from Marshall to Washington.

During June 11-15, over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

Over 16,000 youth, pastors, and adult leaders are expected to attend the third Statewide Youth Evangelism Night at Greensboro Coliseum on August 17th. It is exciting how God is using the witness of thousands of Christian youth across our state in a tremendous manner.

The response of youth and adults to Lay Evangelism Schools in the past twenty months has been outstanding. 9,564 youth and adults have participated in this lay witness training from 720 churches and 34 associations. Also, 107 pastors from 9 associations have shared in a Pastor's Retreat to learn how to lead their churches in Lay Evangelism Schools.

The Division of Evangelism in cooperation with the Department of City and Metropolitan Missions will sponsor a Metropolitan Missions and Evangelism Seminar on October 1-2 at Southeastern Baptist Theological Seminary at Wake Forest with the theme: "Reaching the Cities for Christ".

The Twenty-eighth Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

Let us thank God for the excellent reports of revival meetings, city-wide crusades, and evangelism clinics. Remember to pray for the TOGETHER WE ADVANCE emphasis that we may strive to attain a 10% increase in baptisms, Cooperative Program gifts, Bible study enrolment and Associational Missions gifts.

The date of the Associational Evangelism Conference is September 21, 1973, with a different format and with different hours. This meeting will begin at 9:30 p.m. It will be divided into four sessions with the last session starting at 12:45 a.m.

There have been seven Lay Witnessing Schools held in Union Association. They were taught by the Missionary. Approximately 225 people participated in these schools with decisions in every school, with the exception of one. There are still many churches in this Association that need to become more involved in this program.

HOMES FOR THE AGING REPORT

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that is always will be. God has brought us from one Home to five resident homes, with two located in Winston-Salem (Resthaven and Hayes Home), and one each in Albemarle, Hamilton and Yanceyville. These Homes have a capacity for 162 residents. There is a Nursing Care Unit in Winston-Salem with a capacity for 63 patients. This Unit serves all of the Homes' residents when nursing care is needed. Four out of every five persons who come to us are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Never forget that this is YOUR ministry, on the behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year through your gifts, you contributed $185 a month for the care of the majority of the residents in your five Baptist Homes. Through the special offering you contributed 20% of the total income of the Homes. Through the Cooperative Program, you gave 10% of the total budget needed. The tie that binds this ministry to the hearts of our Baptist people and our Baptist churches is a special one and a very distinctive one indeed.

Be glad also for the fact that your love gifts make possible quality care. It has often been said of the ministry of our Homes that there is no finer care that an older person can receive this side of Heaven than the care given in our Homes for the Aging. Everything that we do for Christ should be this way, and we are certainly trying to give Him our best, day by day, in our ministry to the older people in our care. There is someone serving around the clock, watching over the residents and patients even as they sleep. One of our Supervisors, or "Mothers" as they are often called, was given the name of "Guardian Angel" when a resident, during an illness, discovered later that the "Mother" was keeping vigil just outside her door.

God bless you for your share in this ministry to the Aging, which is both special and distinctive. Pray for us, come to see us, and continue to support this ministry as liberally and loyally in the future as you have in the past.

HOME MISSION REPORT

A strong secular spirit influences the nation, but there is a turning inward by the people. There is an introspection, an obsession with feeling and passion. At the same time, there is an easing of institutional alienation, coupled with an awareness that

the ills which plague our society are deep and pervasive. There is also a headlong push for security or for pleasure coupled with a sense of apathy.

The people of the nation hunger for values, meaning in life, purpose and for God. Southern Baptists are committed to meeting these needs, to make disciples of all persons through faith in Jesus Christ.

Missionary Force Stays at 2200

An effective, well-trained mission force, for the most part supported and supervised in cooperation with the state mission boards, serves in all fifty states, Panama, and Puerto Rico. For the third year, this force remained at 2200 not because of a lack of volunteers, but because inflation cut away at the agency's ability to finance a larger number. More than 150 qualified workers have contacted the Board for appointment, BUT FUNDS ARE NOT AVAILABLE.

Volunteer Force Increases

More effective ways to conduct missions in the United States through volunteers and with no increased funds continue to be found by the Home Mission Board. The laity have become the key force within the three major emphases of the Board: evangelism has activated a force of more than 125,000 lay evangelists through the lay evangelism schools; Christian social ministries depend 90% on the volunteer for their work; and church extension enlists the lay person to lead in Bible fellowships in homes, many growing to form the basis for new missions and churches.

It may well be that the most significant challenge of our time is the challenge to help claim America for Christ to a degree never before true. What happens in and through the churches of this land has supreme significance, humanly speaking, in the programs of the missionary causes around the world.

MINISTER'S RETIREMENT COMMITTEE REPORT

The Annuity Board of the Southern Baptist Convention this year added new benefits or increased benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll December 31, 1972, monthly income checks have been permanently increased by six percent. Just before Christmas, 1972, more than 7000 annuitants received "13th Checks" amounting to the size of two extra months' benefits. The "13th Checks" are paid in addition to the regular monthly payments.

Participants in Plans A-10, A-11 and A-25 on January 1, 1973, had their accrued credits increased by 10% in "good experience credit", and Plan B participants received an additional interest credit based on the Board's good experience on its investments. In addition, the Board approved (subject to action by state conventions) an increase in widow benefits under Plan A to 50% of the potential or actual retirement benefit; previously it was 40%. This increase applies to those retiring January 1, 1973, and thereafter.

At the same time, a temporary income benefit under Plan A was established for a widow, child or dependent parent of those who die before early or normal retirement, or after disability retirement, and who have met the required participation. The temporary income benefit can amount, at maximum, to 333.33 per month for 36 months or a total of $12,000, if the participant died before the age 40. The length

of payment of the benefit decreases with the age at death. This benefit is payable to those who died January 1, 1973, or thereafter.

More than 9000 insurance policy holders transferred from the previous Health Benefit Plan with Blue Cross - Blue Shield to the new plan before January 1, 1973, with Aetna Life Insurance Company.

The Board reported several records for its operation in 1972. Funds held in trust for over 38,000 participants in retirement plans passed $300 million for the first time. Investment income reached a new high for 1972 of more than $22 million. Retirement and other protection benefits paid out for the twelve-month period surpassed the $10 million for the first time.

The total amount of money paid in "13th Checks" exceeded one million dollars for the first time. Income from premiums and dues topped $30 million, another record.

AS OF JUNE 1, 1973, in UNION ASSOCIATION thirty-seven churches and the Association were participating in the Retirement Program.

REPORT OF RESOLUTIONS COMMITTEE

Whereas, the leaders and all the people of the Faulks and the Philadelphia Churches assisted by the people of Centerview, Mount Moriah, Mount Olive, Mountain Springs, Union and Wingate churches have served us two delicious and sumptuous meals, and whereas by their gracious and friendly reception and by their spirit of thoughtfulness and interest in meeting all our needs - both physical and spiritual - have made these two days of the Union Baptist Association a most pleasant occasion, and whereas the Program Committee has given us an inspirational and timely informative program, be it resolved that we now give them a standing vote of thanks and deep appreciation.

Whereas, we realize that we could not have had such a successful Associational meeting without much training and preparation, and realizing that our former Associational Missionary, Rev. Aaron Tyner, was responsible for much of this help through his years of service among us, be it resolved that we ask our Clerk to write Mr. Tyner and his family a letter of appreciation for his diligent and effective work with us.

Whereas, on next Tuesday, November 6th, we have the privilege, in a free country, of voting, be it resolved that we will work untiringly to influence our friends and acquaintances to exercise this privilege, and that we pray unceasingly that in the light of information we have received at this meeting, we will vote in the best interests of our County, State, and Nation.

Whereas, we are living in such uncertain and perilous times, be it resolved that we will covenant with ourselves and God to seek God's guidance continually and to pray constantly for His Holy Spirit to dwell within us at all times.

STEWARDSHIP COMMITTEE REPORT

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the life-line: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,138 churches increased Cooperative Program giving by 10% or more over what they gave the previous year. Four of the associations in North Carolina had 100% of their churches giving through the Cooperative Program in 1972. These four associations were: Anson, Flat River, Tar River and Yates.

Will you do four things:

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by 10% or more?

2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?

3. Will you send your check for Cooperative Program EACH MONTH to Baptist State Convention of North Carolina, P.O. Box 26508, Raleigh, North Carolina 27611?

4. Will you help us have a good stewardship workshop in your association next spring or summer, so we can:

   (1) Study recommendations for pastor and staff salary increases
   (2) Get an overview of available program helps for each church in stewardship
   (3) Receive a report on where you are in YOUR GOALS for associational and Cooperative Program giving?

Your Associational Stewardship Committee has already made arrangements for a Mission Advance Weekend for March 2-3, 1974. Two-thirds of our churches are already committed to take part in this effort. Please mark your calendar accordingly and be in prayer for this meeting.

WOMAN'S MISSIONARY UNION REPORT

WMU Council members received training at Fruitland and returned to lead out in a variety of plans. Leadership Training was provided in the fall for church leaders of all age levels of WMU. The WMU Annual Meeting was held at Mount Harmony Baptist Church with Miss Kathryn Bullard, North Carolina Baptist Women Director as the afternoon speaker. The evening session began with a colorful mini-pageant with women from several churches participating and was climaxed with a missionary address by Mrs. Kenneth Bragg, a Union County native, now serving in Japan.

Baptist Women from four conventions joined together for the second year to participate in an interracial observance of Baptist Women Day of Prayer. Baptist Young Women came together for a fashion show which included costumes they had made representing some of the countries where we have missionaries. The Lamar Tribbles, Missionaries to Chile, were guests of the Acteens at the February Association-wide meeting at Sutton Park Baptist Church. A "May-Bee Party" was held in May at Shiloh Baptist Church when girls were challenged to let God help in deciding what they may be. Girls-in-Action topped their own record and turned out 264 strong for GA Day Camp.

In the churches new organizations are springing forth and this means more people involved in the tasks of WMU: to teach missions, to support missions and to witness through mission action.

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

MINI-HISTORY OF BENTON'S CROSS ROADS BAPTIST CHURCH

On September 2, 1882, as a result of a Brush Arbor Revival held by Rev. Cull Davis and Rev. Reuben James, Benton's Cross Roads Baptist Church was organized, with twenty-five charter members. A wood frame church with a seating capacity of one hundred was constructed parallel to Lawyers Road. For twenty years the church remained unpainted but the congregation grew spiritually and in number.

Under the leadership of Rev. Alfred Honeycutt, several great revivals were conducted and many people were baptized. In 1923, the church building was too small for the growing congregation. The white frame building was turned half way around to face Lawyers Road and additional space was provided including six class rooms.

In the late forties under the leadership of Rev. Oren Hunnicutt, the church decided to start a building fund. The building fund grew and the Church membership climbed to two hundred fifty.

In 1954, Benton's Cross Roads Church really went to work with their new pastor, Rev. Vance Edwards. In 1955, the present sanctuary and educational building were completed with the church members donating the material and labor. In 1957, the pastor and members once again picked up their carpenter tools and built the pastorium. The church membership was growing as rapidly as the buildings. An educational building was constructed in 1958, with members providing the material and doing the work themselves. In 1964, Rev. Ellis Marks was called as pastor and served faithfully for four years. Improvements were made in the church buildings, especially in the arrangement of the sanctuary. The full program of the church continued and new members were added by letter and baptism. The church treasury grew and later put into a building fund. In 1969, Rev. Lewis McLean was called as pastor, after serving three months as interim pastor. During the past five years, general improvements have been made on the buildings and grounds including the pastorium. This year an educational building has been completed, providing twenty additional class rooms, a large fellowship hall, kitchen and three restrooms. There has been substantial growth in all organizationas of the church. Each year mission gifts have increased. The present membership is 547.

We are grateful for the dedicated Christians, who through the years have overcome all obstacles, and are continuing to share the gospel with the community and the world.

MINI-HISTORY OF MILL CREEK BAPTIST CHURCH

Mill Creek Baptist Church was organized in October or November, 1856, as a branch from Meadow Branch Church (now Wingate). Elder E. C. Williams, Evander Davis, and R. W. Rollins were the organizing ministers.

The Charter Members were Rev. E. C. Williams; Coleman L. Williams; Sutton Williams; Shadrock Braswell and wife, Sarah Trull Braswell; J. Milton Braswell and wife, Bedie Price Braswell; Burton Gibson and wife; Richard Outen,

Deliah Price, and May Pressley.

The first building was constructed in 1856 of forest logs hewed by hand and notched together and covered with boards. It was 17 feet wide and 22 feet long. A frame that contains the church's history and hangs in the present sanctuary was made from the sills of the first building.

The second building was constructed in 1882. It was 35 feet wide and 40 feet long. All the ceiling, flooring, and weather-boarding was dressed by hand. The roof was shingled and they were also hand dressed.

When the second building was built, the logs from the first building were sold to Mr. Bob Griffin and used as part of a dwelling. It was used continuously for this purpose until 1960 when fire made it untenable.

The sanctuary of the third building was built in 1905. Sunday School rooms were added in 1929. Due to the financial condition, the roof over the rooms was covered shed type. It remained this way until 1946 when the roof was changed to the present design and the entire building was brick veneered.

A combination Education and Fellowship Building was built approximately fifteen years ago. In 1973, a new Fellowship Building was erected and the first building is now used only as an Educational Building.

There have been 23 pastors in the history of Mill Creek Church.

CONSTITUTION

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I — Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II — Purpose

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III — Membership

The Association in the transaction of business, shall be composed of the pastors of the churches and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV — Affiliated Churches

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the mes-

sengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V — Officers

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject to the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Association Council.

ARTICLE VI — Executive Committee

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary

Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee.

The Vice-Moderator shall be chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the work of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII — Trustees

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Association authorizing such action: neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX — New Church Committee

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant: and at such a time as it deems proper, shall make a recommendation to the Annual Association concerning the applicant.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the cooperation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall with the approval of the Executive Committee, recommend to the Annual Association the purchase of such lands as are desirable for the future development of missions and/or churches, and shall recommend the organization of such missions and/or

churches at such a time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X — Procedure

Missions Committee — Leonard Horne, Chairman, recognized Glenn Flowe, Secretary of the Missions Committee for the following report:

Several months ago, upon the approval of this body and the appointment of the Moderator, a Committee of five was selected to engage in the necessary activities to bring before this body the name of a person to serve as Superintendent of Missions for Union Baptist Association. Your Committee members are as follows: Leonard Horne, Chairman; Margarette Connell; John Hargett, Jr.; Lewis McLean; and Glenn Flowe.

These past months your Committee has welcomed prospective names for prayerful consideration, and your prayers have been valued. We have corresponded with every person whose name we received. This has been done by letter, some times by telephone, and at other times by personal visit.

Many worthy names have been received. However, as biographical information was studied, as referential information was sought, as the peculiar needs of Union Baptist Association were matched with various prospects, it soon became apparent that we were being led to one man in particular.

It is the unanimous decision of your Committee that the next Superintendent of Missions for Union Baptist Association should be Ellis Marks, a former pastor in this Association, a past Moderator of this body, and a man you know very well.

Within days, each Pastor and Executive Committee member will receive a biographical sketch of Ellis Marks and a copy of this recommendation.

Your Committee, therefore, presents to you the name of Ellis Marks as the new Superintendent of Missions for Union Baptist Association. A further part of this recommendation is that this body be called into special meeting on January 8, at 7:30 at the First Baptist Church for the purpose of formally considering Brother Marks.

At that time, after you have had time to study the aforementioned information, questions may better be raised. Brother Marks may be interviewed, and this body may express its prayerful, studied opinion by means of voting for or against this Committee's recommendation for Superintendent of Missions for Union Baptist Association.

Respectfully submitted,

Leonard Horne, Chairman
Margarette Connell
John Hargett, Jr.
Lewis McLean
Glenn Flowe, Secretary

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

Proceedings

THEME: "SHARING THE LIVING CHRIST NOW"

Afternoon Session, October 29, 1974

1. The One Hundred Twentieth Session of the Union Baptist Association was called to order by Moderator Joe Larrimore at 3:00 P. M. on Tuesday, October 29, 1974, in the Benton's Cross Roads Baptist Church.

2. The worship period began with the singing of a solo by Joe Larrimore and the rendition of "Mary Magdalene" by Donna Larrimore. Kenneth Griffin led the congregation in the singing of "He Lives" with Mrs. Evelyn Lomax at the organ.

3. The Moderator recognized Superintendent of Missions Ellis L. Marks, who in turn recognized the new pastors in our Association: William L. Culbertson, Marshville; Glenn Short, Benton Heights; Harold Mains, Faulks; Thurmond Johnson, Lee Park; Albert Hinson, Trinity; Bill Bratton, Sunset Park and J. P. Davis, Interim, Roanoke.

4. Vice-Moderator pro-tem Lewis McLean welcomed the visitors and gave instructions concerning the evening meal and church facilities.

5. Sharing the Living Christ through Christian Life Ministries — motion made, seconded and carried to accept report as printed in Book of Reports. Rev. Charles Petty, Director Christian Life Council, spoke to the reports. In essence, the message was that people all around us hurt. They hurt physically, materially, emotionally and spiritually. They are asking the question, does anyone, anywhere care about me? This caring is the responsibility of Christians. As Christians, our biggest task is to share Christ now. We do this by giving of our means,

talents, yes, by giving ourselves. If we don't, the judgment of God is upon us. This judgment in many instances is simply that God lets us go it alone during the times of trials and tribulations.

6. Congregation Hymn — "Standing On the Promises"

7. How Our Organizations Are Sharing the Living Christ Now — Vice-Moderator Lewis McLean presiding. Fred High moved the adoption of the Sunday School report as printed in the Book of Reports. Seconded and carried.

8. In the absence of Mrs. Carolyn Godfrey, Max Melton moved the adoption of the Church Training Report as printed in Book of Reports. Seconded and so carried.

9. Motion was made by Albert Bishop to adopt the Brotherhood report as printed in the Book of Reports. Seconded and so declared.

10. Congregation Hymn — "Blessed Assurance"

11. Time, Place and Preacher Report — Wilson Payne moved the adoption of the report as printed in Book of Reports. Seconded and so carried.

12. Constitution and By-Laws Report — Troy Liner read the following report from his Committee:

In view of the fact that the Superintendent of Missions, meeting in the National Convocation for Superintendents of Missions at Ridgecrest, North Carolina, the week of May 6-10, voted to change their title to Director of Missions, we recommend the following changes:

1. In Articles V, VI, VII of the Constitution, the wording "Associational Missionary" should be changed to "Director of Missions".
2. In Article 19 of the By-Laws, the wording "Associational Missionary" should be changed to "Director of Missions".
3. In all places in our Associational Minutes where the titles "Field Worker and Associational Missionary" are used, the wording should be changed to "Director of Missions" in order to bring all records in line with the Constitution and By-Laws.

Action on this report will be taken on the second day of Session.

13. Trustees Report — John Hargett, Jr., moved adoption of report as printed in Book of Reports. Seconded and carried.

14. Motion made, seconded, and carried to adopt the Calendar of Activities as printed.

15. Suggestion was made that is might be beneficial to change the meeting time of the Annual Session. After much discussion, Bill Bratton made a motion that this matter be referred to the Executive Committee for further study. Seconded and so declared.

16. Congregational Hymn — "Love Lifted Me"

17. Sharing the Living Christ as Living Lord — In preparation for the annual sermon, Mr. Larrimore recognized William L. Culbertson to read the Scripture passage from the twentieth chapter of John, verses 19-31. Mr. Culbertson sang "The Stranger of Galilee" accompanied by his wife, Frances, at the piano. The Moderator's message was that we should share the living Christ now. As Christians, many times we feel that Christ has let us down and we become disheartened and discouraged — we want to give up. We fail to realize that Christ is alive and that he lives within us and that He empowers us for service. We are always planning and preparing to share the living Christ. We seem never to get around to the place of actual sharing. This is our job and God's Spirit in us gives us all the strength and assurance that we need for the actual responsibility of sharing.

18. Albert Bishop led the closing prayer and returned thanks for the evening meal.

His emphasis was that each one of us has something to share. The lame man at the gate of the Temple was asking an alms of Peter and John. Peter said, "Silver and gold have I none, but such as I have, give I unto thee.'" We, too, may not have silver and gold but each Christian has Christ and we should share Him now with those who are begging for something from us.

53. Congregational Hymn — "Must Jesus Bear the Cross Alone".

54. Closing prayer by Albert Bishop.

Benediction

Supplying the millions of men, women and children who became new readers each year with Scriptures they can understand, is seen by the American Bible Society as one of the most pressing of the many challenges facing it today.

To bring the Word of God to every person in the world has, of course, always been the sole purpose of the Society. To do so, it has engaged in hundreds of programs of Scripture translation, publication and distribution by cooperating with churches and agencies that need Scriptures. But even with all these programs, the Bible Society is aware that a large part of the world's people are not being reached, those whose reading ability is new or marginal.

GOOD NEWS FOR NEW READERS

Now there is GOOD NEWS FOR NEW READERS, a unique and extensive program that will provide special Scripture Literacy Selections on five graded levels, in 200 languages. It will enable millions of people to read the Word of God for themselves, as well as other reading material, for the first time, thus providing a basis for a more abundant life.

Over the next twelve years, 725 million Selections will be required at a cost of over $62,000,000. Already two levels are complete in 112 languages. Their ready acceptance indicates the great spiritual hunger of the world's people and the need for these unique tools. Nothing else like them exists anywhere in any language!

PARTNERS IN BASIC MISSION

The American Bible Society, working through the United Bible Societies, continues to be the primary source of Scriptures for the missionary enterprise and remains constantly ready to supply the Southern Baptists' Scriptural needs in the United States and abroad.

In behalf of the Southern Baptist Convention and several of its state and local organizations, the American Bible Society has produced 16 special Scripture editions totaling over 3 million copies in 1973.

SCRIPTURE DISTRIBUTION UP 14.1 PER CENT

More than 249 million Scriptures — Bibles, New Testaments, Portions and Selections — were distributed during 1973 by the members of the United Bible Societies. The world total is up to 14.1 per cent over 1972, largely due to phenomenal Scripture distribution efforts in Bangladesh, Colombia, Costa Rica, Indonesia, Nicaragua, Nigeria, the Philippines, Sri Lanka, Thailand, Tanzania, and Venezuela.

In the United States, the total Scripture distribution was over 117 million — a bit less than the 1972 all-time record.

NOW IN MORE THAN 1,526 LANGUAGES

The number of languages in which at least one book of the Bible has been published by Bible Societies and other Christian organizations increased by 26 in 1973 to 1,526. The Bible Societies continue to place a high priority on contemporary language translations such as "Good News for Modern Man." To date, common-language Scriptures have been published in 36 languages.

The world's best selling paperback book, "Good News for Modern Man," the American Bible Society's New Testament in Today's English Version (TEV) reached a total circulation of more than 43 million copies by the end of 1973.

TEV translation work on the Old Testament continues in preparation for the publication of the complete Bible in 1976. This translation continues to be a model for common-language work in other tongues.

OTHER PROJECTS

The American Bible Society continues to bring new color and formats to the Scriptures produced. Distribution continues in the work for the blind with Scriptures in Braille, tape, and records. Work with Armed Forces Chaplains continues as well as work with Blacks, American Indians, Spanish, and other minority groups. The Volunteer Activities Department of the American Bible Society is growing rapidly.

WORK ABROAD

In missionary fields abroad, the American Bible Society is proving its effectiveness in areas of particular interest to the Southern Baptist Convention. Bible Society work is undergirding the activity of churches in Brazil, Nigeria, Japan, Indonesia, and other countries where the Southern Baptist Convention has active missions. Scriptures Literacy Selections are being used effectively to involve more and more of the population in the Word of God. Translation and production of common-language Scriptures continues to increase as Bible Society work rapidly expands in many countries.

FINANCIAL SUPPORT

The American Bible Society is most grateful for its close and continuing relationship with the Southern Baptist Convention in the common purpose of Scripture distribution. However, the Society is facing growing demands for Scriptures in a world whose population is growing and whose people have a growing need for the saving knowledge of the Gospel.

Therefore, the Society asks Southern Baptist churches to continue their active support and to make special efforts to support the GOOD NEWS FOR NEW READERS program.

We know we have the urgent responsibility and glorious challenge of making God's Word available to all who need and want it. This is more than a responsibility for the Bible Societies. It is a responsibility which all Christians must recognize and to which all must respond generously.

NORTH CAROLINA BAPTIST HOSPITAL REPORT, 1974

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon "ministering with skill and understanding". Evidence of this is a typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business offices and chaplains in between, I was cheerfully given every personal consideration."

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer, of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of x-rays and computers, will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satellite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January, the hospital had its only room rate increase in the past three and one-half years. Nevertheless, the hospital continues to operate "in the black". The 1973 Mother's Day Offering amounted to $375,000. At the time of this writing, our 1974 Mother's Day gifts are running ahead of the same time last year. These gifts are used to assist patients with the most urgent financial needs. A special committee of five Baptists from the Winston-Salem area assists personnel from the hospital Business Office and the Department of Denominational Relations in administering these funds.

Your hospital staff, and the people they serve, are grateful for your interest, your prayers and your financial support.

BIBLICAL RECORDER REPORT

The BIBLICAL RECORDER is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year — and the end is not in sight.

Even so, the RECORDER has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper strong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages had to be reduced to save money, but readers have been very understanding.

Despite some problems, the RECORDER is enjoying its highest circulation in history — more than 111,000 — thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their members

remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the associations met last year. You will remember that approximately 70 per cent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced, but we do not believe any publication can take the place of the BIBLICAL RECORDER. If your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a Baptist church can make. Put the RECORDER in the budget before it has to increase the rate because of inflation.

J. Marse Grant, Editor

BROTHERHOOD REPORT

The Brotherhood Program of the Union Baptist Association has sought to enlist, train, and involve the men, young men, and boys of the churches in a deeper commitment to missions, in a deeper and more meaningful prayer life for missions, and in a more personal involvement in missions through the Brotherhood Organizations in the Churches, Baptist Men, Baptist Young Men, and Royal Ambassadors. Some progress has been made in getting Brotherhood work started where there has not been any, and we shall continue to encourage those churches who have not yet begun to involve their men, young men, and boys in this mission effort to do so.

There has been a renewed effort in many of our churches to involve our boys in the Royal Ambassador Programs, but our greatest need in our Associational Program is for the Churches to become involved in Brotherhood work for the Baptist Men and Baptist Young Men, both in the churches and in the Association.

Many of our churches have no Brotherhood Program of any kind, and, therefore, offer little or no missionary education at all, much less getting them involved in missions. Our greatest need today is for all men, young men, and boys to be involved in a program that will develop them into workers for the Master.

BAPTIST CHILDREN'S HOMES REPORT

Christian child care is a shared adventure. We proceed by faith to build a helping relationship with children and their families in need. We cannot know in advance the final outcome, but we are confident of God's power to work in these relationships for reconciliation and healing.

Much has happened this year to strengthen the foundations for our ministry of child care. The recreation and administration buildings at Broyhill Home are nearing completion. A cottage and two staff residences at Kennedy Home will soon be dedicated. A challenge gift of $100,000 has been received for the development of Greer-Burris Home at Chapel Hill.

to tell the story of the Children's Homes. It was premiered at the Piedmont Area Conference September 12. Following extensive use on statewide television broadcasts, it was released for showings to churches, associations, civic clubs, and other interested groups October 1. Place your order for the film through the Department of Communications of the Baptist State Convention.

Our Piedmont Area services have expanded significantly during the past year. Mills Home continues to provide the highest quality group care to more than two hundred school age children. Wall Home has pioneered with an exciting outdoor high-adventure program for a group of teenage boys. Our first Emergency Care Home opened in Burlington May 21, and a similar home was opened in Charlotte in late summer. These two homes represent a cooperative venture with the Mount Zion and Mecklenburg Associations to provide emergency care on the local scene. New foster homes have been licensed and have increased the number of foster home children in care.

The continuing good will and generous support of our friends throughout the State make possible this vigorous and progressive ministry of child care. During the past year, North Carolina Baptists gave more than a million dollars to Christian child care in the North Carolina Baptist Children's Homes through the Cooperative Program, the Thanksgiving offering, and designated gifts and offerings. Rising costs and the need for expanding services challenge all of us — staff and supporters — to continue our investment in the shared adventure of Christian child care.

CHRISTIAN ACTION LEAGUE REPORT

The officers, trustees, and the Executive Director of the Christian Action League take this opportunity to express to the members of this Association, convened in annual session, their appreciation for the wonderful support which you gave in the liquor campaign last fall. We are still rejoicing in the wonderful victory that God gave to us. To receive over 70% of the vote in our favor and to carry 97 counties in the state is remarkable, indeed. It is a tribute to the wonderful spirit of cooperation on the part of people like you across the state.

Recently one of the organizations that conducts surveys across the state of North Carolina included a question about the visibility which the League enjoyed in North Carolina. It was a three part question, but we include here only the first part since the latter two are not relevant to present circumstances. The question was included with ten other questions and read as follows:

DO YOU KNOW WHAT THE CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA IS?

The results were:

Yes, 80.6% No, 18.6% No Answer, 8%

Thus it is revealed that four out of five persons across North Carolina know what the Christian Action League is. The polling company had the following comment: . . . "Pretty good recognition for an organization founded mainly by . . . religious groups."

We are looking to the future. At the annual meeting in April, seven Task Forces were appointed, as follows:

TASK FORCE ON PRISON REFORM
TASK FORCE ON HIGHWAY SAFETY

TASK FORCE ON ALCOHOL DRUG CONTROL LAWS
TASK FORCE ON OBSCENITY AND PORNOGRAPHY
TASK FORCE ON TAX REFORM
TASK FORCE ON CAPITAL PUNISHMENT
TASK FORCE ON BANNING ADVERTISING OF ALCOHOL

Some of these groups have already met and others are meeting in the near future. Work is going on in these areas. We need your continued prayerful and financial support.

CHRISTIAN HIGHER EDUCATION REPORT

Churches and Colleges are Partners

While churches and colleges are not identical in their purposes, Baptist churches and Baptist colleges in North Carolina do their work in an atmosphere of mutual appreciation. This active partnership includes Baptist Youth Corps, student-led worship and revival services, visits to the campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

Cooperative Program

Your seven Baptist colleges are grateful for the continuing financial support which they receive through the Cooperative Program. During 1974, approximately $2,350,000 will undergird the work of North Carolina Baptist Colleges. At a very crucial and difficult time, these funds make a tremendous difference in the quality of programs offered by our schools.

Baptists Students

The colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist colleges are anxious to enroll the young people from our churches.

Change in Wingate College Leadership

After 20 years of effective leadership, Dr. Budd E. Smith resigned the presidency of Wingate College. On June 1, Dr. Thomas E. Corts of Georgetown, Kentucky, assumed the presidency of the seventy-eight year old institution. Dr. Corts, the eleventh president of Wingate College, came to this position with excellent preparation and experience.

Council on Christian Higher Education

Our colleges — Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate — work together and with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of under-

standing and cooperation as together they deal creatively with persons in the name of our Lord.

REPORT OF CHRISTIAN LIFE COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

The Christian Life Commission worked during the past year to enlarge its service to Southern Paptist churches in the development of Christian morality.

Functioning specifically in family life, race relations, daily work and economics, Christian citizenship, and special moral concerns such as alcohol and other drugs, gambling, and pornography, the Commission engaged in continuing study, research, and action to help Southern Baptists in applying Christian principles in daily life.

Education and action in Christian social concerns continued through an extensive ministry of speaking and preaching, through an expanded emphasis on Christian citizenship development, through distribution of some ninety pamphlets and cassettes an applied Christianity and through the preparation of curriculum materials for cooperating Baptist organizations. Thousands of churches across the Convention observed Race Relations Sunday in February and Christian Citizenship Sunday prior to July 4. Churches are urged to use Christian Life Commission materials in observing these special occasions listed on the denominational calendar: Race Relations Sunday, February 9, 1975; and Christian Citizenship Sunday, June 29, 1975.

The Christian Life Commission conducts an extensive conference program to foster Christian morality development among Southern Baptists. In the spring of 1973, a national seminar on "A Future for the Family" was conducted in Charlotte, North Carolina. In 1974, a national seminar on "Christians Confronting the Economic Crisis" was held in Houston, Texas. Materials from these seminars have been widely disseminated by radio, tapes, and through printed Proceedings. The next annual seminar will meet in Louisville, Kentucky, March 10-12, 1975, to deal with integrity. Each summer the Commission sponsors conferences at each of the Convention Conference Centers. The 1973 conference program at Glorieta was "Southern Baptists Working for Criminal Justice" and at Ridgecrest, "Race: New Directions for a New Day." In 1974, the conference titles were "Christian Liberation for Contemporary Women" at Glorieta, and "The Bible and the Christian Life" at Ridgecrest.

The Commission's new literature, "Christian Life Style for Families" and "Christian Life Style for Youth," has been widely used throughout the Convention. Churches are urged to write the Christian Life Commission asking for a free illustrated order blank which describes all of the material on applied Christianity produced by the Commission for use in the Churches. The Commission is also happy to send to churches and associations a free pamphlet entitled "Christian Life Committee Guidelines" when requested.

Especially encouraging is the growing interest on the part of Baptists at the associational level in more faithfully applying the gospel. The Christian Life Commission is committed to "helping change people change the world." The staff of the Christian Life Commission stands ready to be of assistance to associations, local churches, and concerned Christian individuals in developing

Christian Life Committees and in maintaining a continuing emphasis upon applied Christianity.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The basic work of the Christian Life Council continues to be that of a research and referral agency for North Carolina Baptists. The Council responds to daily inquiries from churches and individuals seeking to discover Christian insights for everyday living.

The Council conducted a workshop last March entitled "Helping Churches Help Families." Over 1200 attended part or all of that workshop.

A series of political action seminars are scheduled for September 30-October 2. These seminars are designed to help Baptists know how to apply their Christian faith to various levels of government.

The Council distributes free upon request a series of 21 tracts on the family to North Carolina Baptist Churches.

The Council on Christian Life and Public Affairs consists of 16 persons who give guidance to the full-time director, Dr. Charles V. Petty.

Respectfully submitted,

The Department serves both rural and urban areas of our state.

Christian Social Missions is one major phase of the work. This ministry consists of church-community weekday missions, youth and family services, literacy missions, migrant missions and disaster relief. There are sixteen missionaries jointly-employed by the State Convention, the Home Mission Board and the association in this phase of our Lord's work. In addition to these missionaries there were several jointly-employed summer student workers. This ministry exists for the purpose of bringing men to God through Jesus Christ as Saviour.

Interfaith witnessing is another phase of the Department's outreach ministry. This ministry demands skilled workmen with an intelligent and warm approach in Christian witnessing. The Department seeks to enlist and train volunteers to engage in this work.

Church extension through pastoral and lot aid assistance is a third phase of the Department's work. This is one of the oldest and continuing ministries of State Missions for urban areas.

The City and Metropolitan Missions Department is an integral part of the overall program of State Missions and is directly funded from the annual State Missions Offering. We solicit your continued prayers and support for this work. It the Department can help your church or association, please let us know.

CONSTITUTION AND BY-LAWS COMMITTEE REPORT

In view of the fact that the Superintendent of Missions, meeting in the National Convocation for Superintendents of Missions at Ridgecrest, North Carolina, the week of May 6-10, voted to change their title to Director of Missions, we recommend the following changes:

1. In Articles V, VI, VII of the Constitution, the wording "Associational

Missionary" should be changed to "Director of Missions".

2. In Article 19 of the By-Laws, the wording "Associational Missionary" should be changed to "Director of Missions".
3. In all places in our Associational Minutes where the titles "Field Worker and Associational Missionary" are used, the wording should be changed to "Director of Missions" in order to bring all records in line with the Constitution and By-Laws.

ASSOCIATIONAL EVANGELISM REPORT

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months, 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro — February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

God is greatly blessing the evangelistic ministry of our three summer youth evangelism teams. Nine colloge students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches for Pisgah Forest and Edenton.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 10-14 for about 700 youth and adults with the emphasis on evangelism, vocational guidance and recreation.

About 15,000 youth, pastors, and adult leaders attended the fourth Statewide Youth Evangelism Night — August 16 — at the Greensboro Coliseum. Richard Hogue, evangelist, Houston, Texas, was the guest preacher, and Darcy and Sharon Hodges were the guest soloists. Christian youth continue to share a strong witness for Jesus Christ across our State.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the yast year.

The 29th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 3-5, 1975.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

TO THE MEMBERS OF THE UNION BAPTIST ASSOCIATION

We regret very much that the Histories of the Union Baptist Association still have not come from the printer. We assure you that we shall endeavor to get the books to you as soon as they come.

We realize that it was quite a task for the churches to get up a history for these fifty years. We wish to thank each one who had a part in the history. We also wish to express our thanks to Mrs. John Hargett, who in addition to her work as Treasurer of the Association, has worked so hard to keep the record of the payment for the histories by the churches.

Our thanks go to the Associational Clerk, Mrs. C. H. Arrowood, for the assistance she gives in tabulating the history from each church as the information is sent in on the annual church letter.

We wish also to thank the Association for the privilege of working on the history. As we have reviewed the guiding principles of the Association and realize anew the zeal, loyalty and enthusiasm of those who made the history, our faith has been strengthened and we feel that their labor has not been in vain.

We trust that as you read the history you will recognize that the thread of mission work runs all the way through the history from the early itinerants who worked diligently, and with a meager salary to carry the message of Christ on down to the present when we have a Superintendent of Missions, who devotes his time to the promotion of missions through our churches.

We thank the churches for their support of Associational Missions. May we all realize as we read the history of these fifty years of progress that we share the Living Christ as we learn to work together more closely, to love each other more and to rededicate our lives as we witness for him day by day.

HOMES FOR THE AGING

As a Baptist, among the many vital ministries that you support are your North Carolina Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people and making life much happier and secure for them. You have done so through two very helpful means of income: (1) The Special Offering for the Homes, received on the 3rd Sunday of February each year; (2) The Cooperative Program. Gifts through these two sources have increased from year to year, and offerings for 1974 will perhaps exceed $350,000, providing more than 30% of the budget needed to operate

five resident Homes and the Nursing Care Unit.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two homes in Winston-Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albemarle, Hamilton, and Yanceyville. In these Homes, four out of five residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year, has been the decision by the Trustees of the Homes to establish a sixth Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background. A dedicated group of people in the Western Carolina area have organized the first initial phase of what will become, it is hoped, a major State-Wide fund-raising effort to obtain the necessary money to build this proposed Home, after approval by the General Board, and the Baptist State Convention. Church groups are encouraged to visit the beautiful site on which the proposed Home will be built, and will be served lunch, if an appointment is made in advance.

With the addition of a sixth Home for the Aging, with the spiraling cost of living, and the great and ever-increasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support for the Homes through the regular channels of the third Sunday of February Offering, the Cooperative Program, and an over and above gift for the Western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure!

ORDINATION COMMITTEE REPORT

The Ordination Committee received requests from two Churches this church year to examine three candidates for the Gospel Ministry.

Austin's Grove Church requested that we examine Tony Medlin and Donald Ray Helms. We met with both these men on separate occasions. After these periods of examination, both men were recommended to their church as candidates for the Gospel Ministry.

Faulks Church asked that the Committee examine Brother Hudson Rushing. This was done. The Committee recommended that Brother Rushing be ordained to the Gospel Ministry.

On all three occasions, the Chairman of the Ordination Committee presented the recommendation to the churches involved. This recommendation presented to the churches in conference just prior to ordination.

STEWARDSHIP-COOPERATIVE PROGRAM COMMITTEE REPORT

More than 5;000 missionaries at home and abroad depend on gifts through the Cooperative Program for a salary each month. Over 3,000 of those have a basic ministry of evangelism, with all of the others using their skills as nurses, teachers, doctors, etc., to meet human needs in order to bring these to Christ. Through the Cooperative Program, you are helping the widow, the homeless child, the homeless aged, the sick, plus the ministries of preaching and teaching.

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year, 1,236 churches increased Cooperative Program giving by ten per cent or more over what they gave the previous year. Two of the associations in North Carolina had 100 per cent of their churches giving through the Cooperative Program in 1973. These two associations were: Flat River and the Tar River.

Will you do four things:

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by ten per cent or more:
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program **each month** to Baptist State Convention of North Carolina, Post Office Box 26508, Raleigh, North Carolina 27611?
4. Will you help us have a good **stewardship workshop** in your association next spring or summer, so we can: (1) Study recommendations for pastor and staff salary increases; (2) Get an overview of available program helps for each church in stewardship; and (3) Receive a report on where you are in your goals for associational and Cooperative Program giving?

SUPERINTENDENT OF MISSIONS REPORT

We moved into the associational parsonage on February 12, 1974, therefore, have been in the association for seven and one-half months. In this period of time, it has been my privilege to visit with forty-five of our churches, fifteen of them twice or more as I have been called on for some type of service. I have preached twenty-eight times, taught one study course, and led in a discussion on resource materials for Sunday School workers. I have visited thirty times with pastors.

I have had conferences with a number of individuals. I have shared in fellowship with the pastors in pastors conferences and prayer meetings each month. Many associational meetings and committee meetings have required a great deal of time.

Several mectings have been attended outside of the association: Orientation for Superintendent of Missions in Raleigh; Sunday School Briefing Meeting in Raleigh; National Convocation on Associations at Ridgecrest; Orientation for Superintendent of Missions at Home Missions Board, Atlanta; Cooperative Program Seminar in Albemarle; Superintendent of Missions Conference, Fruitland; Superintendent of Missions Conference, Dallas, Texas; Pastors' Conference and Southern Baptist Convention, Dallas, Texas.

An average of one thousand newsletters have been prepared and mailed each month. The regular and various responsibilities of the office have taken considerable time.

Any one of our churches functions independently in much of her work and accomplishes much and lasting good. However, I feel that we need each other and that together we can do many things that we cannot do alone and thereby accomplish much more as we work together. We are laborers together with God. We need every one of the churches in our association praying for us and working with us in the work of our association. We know that each church can make valuable contributions to the association and we believe that the association can do the same for every church.

Respectfully submitted,

Ellis L. Marks
Superintendent of Missions

WORDS OF APPRECIATION

Deep appreciation is expressed to all who have filled places of leadership and responsibility in our Associational Organizations and Committees. We express appreciation, also, to all of our churches for the splendid way that they have supported the work of the association through prayers, cooperation in the programs and work of the association, and financially.

Your Superintendent of Missions and wife appreciate very much the very gracious way and the warm spirit by which you have received us into your midst. Continue to pray for us and work with us.

Sincerely,

Ellis L. Marks

TRUSTEE'S REPORT

The year of 1973-1974 has been a busy year for the Trustees. We have done several improvements to make the Missionary's home and office more comfortable to live in. They include painting the house both inside and outside, installing carpet, reworking the roof, replaced broken light fixtures, replaced three broken doors, installed blinds on front and side windows, stopped water leak into basement, installed new oil tank and part of guttering, also part of the trees were removed from the yard. On hand are storm windows and doors, and should be installed in a few weeks.

The City of Monroe is to install drain tile in a drainage ditch for us and they also are to install curb and guttering. The expense for this project is being paid for by one of our fine churches. Many thanks go out to them.

Yes, we have done a lot of work, thanks to the Trustees, some pastors, and laymen of our Association. We have saved the Association a large sum of money doing the labor ourselves.

Since this is my last year on the Board of Trustees, I would like to thank each member of the Board for the fine help and cooperation, making my job easier. It has been a joy and blessing to have served the past three years. God has blessed our Association in many ways, with your prayers and help, He will continue to do so.

Respectfully submitted,

John G. Hargett, Jr., Chairman

WOMAN'S MISSIONARY UNION REPORT

The women of the association have been saddened by the death of our capable director, Mrs. Cliff Adams. That which has been accomplished this past year, on the associational level, has been because of her capable leadership, genuine inspiration, and her devotion to missions.

During the year, the WMU emphasis has been mission support: praying, giving, and creating a climate in which persons can respond to the call for mission service. Challenged by this emphasis, the associational WMU Council availed themselves of training opportunities at Camp Mundo Vista, Ridgecrest, and other workshops. Council members have, in turn, sought to train local church leadership, to lead in associational WMU activities, and to initiate WMU work in the

churches which have no WMU organizations.

In the fall, all age levels of the local church WMU leadership were provided training in a Leadership Conference. A "Steps in Beginning" Workshop was held in the spring to help those interested in starting new organizations in their churches. In March, the annual WMU meeting was held at the Union Grove Baptist Church. Thirty-seven older GA's who had passed at least one Missions Adventure participated in the parade of the flags. The GA's who were featured this year, also presented a play. Two former missionary journeymen, Mr. and Mrs. Bob Sellers, spoke at the afternoon session. The Reverend Burtt Potter, who has served as a pioneer missionary in Pennsylvania and Nebraska, brought a dynamic missionary message at the evening session.

Women of four Baptist conventions observed together the Baptist Women's Day of Prayer in November. During the year, the number of Baptist Young Women organizations increased. An outstanding activity of this group was an international dinner in May with Miss Nancy Curtis, state BYW Director, speaking. The Acteens organized on the associational level and elected a Council. This five-member Council received training at an Acteen Officer's Retreat at Camp Mundo Vista and supported the annual WMU meeting by attending. The Acteens have met quarterly with the spring meeting being a Creative Arts Fair featuring the Cooperative Program. About 250 GA's were enthralled as they listened to Naomi Cowsert, a missionary kid from Brazil, and as they participated in the activities at GA Day Camp held at the Shiloh Baptist Church.

Statistics show some gains in number of organizations, but the fact that fourteen churches are not actively promoting missionary education through the WMU causes deep concern. To be a totally committed and well-developed Christian, a person must be educated in missions and missions giving, as well as in other aspects of the Christian life. The age-level organizations of Woman's Missionary Union provide this missionary education in the local church for women, girls, and pre-school boys. A well-balanced local church educational program will provide for training in missions to aid the members to become the "full-grown" Christians that God intended them to be.

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legistlative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V--Officers

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

If for any reason the Moderator cannot serve out his term, the Vice-Moderator shall become Moderator of the Association. When the need arises to replace the Vice-Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the un-expired term of Vice-Moderator. This person shall assume the position of Vice-Moderator after the approval of the Exectutive Committee.

The total program of the Association shall be under the leadership of the person holding office Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject to the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI--Executive Committee

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII--Associational Council

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our association shall be ex-officio member of the Associational Council.

The Vice-Moderator shall be chairman of this council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the

They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortage, lease or transfer any property of the Association without a specific vote of the Association authorizing such action: neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX--New Church Committee

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant: and at such time as it deems proper, shall make a recommendation to the Annual Association concerning the applicant.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the cooperation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall with the approval of the Executive Committee, recommend to the Annual Association the purchase of such lands as are desirable for the future development of missions and/or churches, and shall recommend the organization of such missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

He said that as one chooses to follow Jesus Christ a freedom of developing and becoming begins and as one breaks down from the confines of one's ownself and opens up with a freedom of purpose the light of God's love breaks through. A challenge was given his listeners to share this revelation of love and light with a darkened world in a freedom that only comes through knowing Jesus Christ.

Reports

BAPTIST HOSPITAL

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Out-patient Clinics PhysicalTherapy and other departments. Renovation if the West Wind will be complete and renovation of the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner in now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

Family Practice Center opened July 1, 1975, to offer more primary medicalcare for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year, the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for service and materials, the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974, the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the State. The department has established a scholarhsip fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year, Mr. Reid T. Helms retired as President of the hospital, after serving in the hospital administration for twenty-nine years.

As of the last of July, thirty-three of our churches had made contributions through the Mother's Day Offering to the hospital.

Respectfully submitted,
Byrns Coleman, Chairman
Wayne Collins
Billy Smith

BROTHERHOOD

The Brotherhood Program of the Union Baptist Association has made progress during the past year as added interest and involvement of men and boys in missions have come alive in many of our churches. Missions study, missions activities, and as effort to involve men and boys in supporting missions have been evidenced since new Brotherhood Work has been started in some churches, old Brotherhoods have been renewed and Royal Ambassador Work, with our Associational Royal Ambassador Leader, has been enhanced. We have made some strides, but we certainly have a long way to go before every church will have some segment of our Brotherhood program in our Association. Our Associational Brotherhood Leaders stand ready to help in any way possible to enlist, conduct, enlarge, or improve the Brotherhood Work among any of the churches. As we begin a new year, we will be striving to enlist every church to begin Brotherhood work through providing opportunity for fellowsip and inspiration, interpreting the Brotherhood work, and through participating in the cooperative mission work among the churches. Our greatest need

now is for our churches to awaken to the need for a program for men, young men, and boys to get involved in our great mission task for our Lord Jesus Christ.

Respectfully submitted,
Albert Bishop
Association Brotherhood Director

CHILDREN'S HOMES

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry ninety years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

The lives of more than 3,700 people were affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided for 1,524 children. Of this number, 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While we were caring for the children, a close relationship was maintained with 2,178 adults in an effort to re-establish homes and strengthen family relationships.

New and exciting developments are in progress throughout the State. During the past year, emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A Cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These three factors characterize the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the State can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

Respectfully submitted,
Mrs. W. M. Norton, Chairman
Rev. Albert Bishop
Rev. Jack Watts

CHRISTIAN HIGHER EDUCATION

Baptist colleges in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all people everywhere. In addition to the important role of preparing future lay leaders for local churches, the

colleges continue a strong emphasis upon ministerial and church-related vocational training. In April of 1975, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership.

With the exception of what students pay, the Cooperative Program continues to be the largest single source of annual income for our colleges. In these days of financial uncertainty, the colleges are grateful for the level of support which North Carolina Baptists have maintained. During 1975 the anticipated Cooperative Program budget for the colleges will amount to $2,633,350. The ministry of North Carolina Baptist colleges, as we know it today, is a direct result of the Cooperative Program.

Another way the churches help to relieve the colleges financial burden is through the annual offering on Father's Day. Designated for student aid, this offering gives much-needed assistance to many students from Baptist churches.

Our young people should be encouraged by church leaders to attend one of our Baptist colleges. The colleges pledge that no qualified student will be turned away for purely financial reasons. Through grants, loans, and work scholarships an education is available for anyone who seriously seeks it.

North Carolina Baptist Colleges are committed to Christian values, and to an active partnership with their fellow-Baptists in evangelism, missions, education, and social concern.

Your Baptist colleges sincerely solicit the supportive prayers of North Carolina Baptist churches, that we will be aware of and receptive to Divine guidance in performing the work which we have been given to do.

Respectfully submitted,
Raymond Owens, Chairman
L. J. Gann

DIRECTOR OF MISSIONS REPORT

It has been and continues to be a real blessing, challenge, and pleasure to serve our Lord and the churches of the Union Baptist Association as Director of Missions. Your very warm, Christian reception as we come into your churches, your cooperation in and support of the work are very deeply appreciated. We thank God for all of you, and for this place of Christian service, and for the Christian unity and fellowship that we find amongst our people. We express appreciation to all Associational officers and committees who have worked with us in the work of the Association.

Throughout the year it has been my privilege to fellowship with the pastors in personal visits, in their church services, pastors conferences and prayer meetings.

I have visited in fifty-four of our churches during the church year 1974-75, made one or more additional visits in thirty churches when called upon for service. As of this date, I have been in all of the churches at least one time.

It has been my privilege to preach thirty-five times in regular worship services, to speak twice in deacon ordination services, to help dedicate three buildings, and to preach in two revivals, one in our association and one in Virginia. I assisted Myrtle in teaching the Home and Foreign Mission studies for eighteen of our churches.

I have been in the following conferences: two hundred and sixty individual, ten group, and eighteen committee. I was a participant in the World Missions Conference in the Gaston Association, representing association and State Missions.

I have been in a number of special studies, clinics, and workshops relative to my work and the association. These include such meetings as the Week of Christian Study and Fellowship at Mars Hill, the annual meetings of Directors both at Fruitland and Raleigh.

The Association made it possible for me to attend the Baptist State Convention in Raleigh and the Southern Baptist Convention in Miami Beach, Florida, both of which included special conferences for Director of Missions.

During each month we have published and distributed an average of twelve hundred Newsletters. This is done in an effort to keep our people informed as to what has taken place and is to take place within the Association and the Convention.

I am looking forward with great anticipation to another good year in the work of our Lord in our Association with all of our churches.

Respectfully submitted,
Ellis L. Marks.

EVANGELISM REPORT

All churches will receive Proclamation '76 Planning Calendar booklets for 1975-76 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) of 1976. If you do not have a Simultaneous Revival, every Baptist Church is urged to plan a dynamic revival effort in the spring of 1976.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past three and one-half years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and fifty-five associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975.

"BE RECONCILED TO GOD AND MAN" was the theme of the Twenty-ninth Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance, and recreation.

About 14,000 youth, pastors, and adult leaders will attend the fifth Statewide Youth Evangelism Night--August 15--at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Georgia, is the guest preacher, and Bill and Linda Cates are the guest musicians. Christian youth continue to share a strong witness for Jesus Christ across our State.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Renewal Weekends and Renewal Evangelism.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The thirtieth statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, during February 2-4, 1976.

Remember to pray daily for the work of evangelism in all the chruches of our state, nation, and world.

Our association has experienced many blessings in evangelism this year through church revivals. We are looking forward to a great year with Simultaneous Revivals and an associational evangelism conference.

HOMES FOR THE AGING

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families inquiring about admission to one of your five resident Homes and the Skilled Nursing Care facility of the Homes.

Today there are some 21,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. The needs of aging people are overwhelming, and we must strive diligently to meet those needs.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, The Hayes Home,and the Nursing Care Unit in Winston-Salem, and in our Homes at Albemarle, Hamilton, and Yanceyville. As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and help as many older persons as possible in the years ahead. We can do this only by the grace of the Lord and by the increased concern and giving of our Baptist people.

Gifts for 1974-75 from our Baptist churches, through the Cooperative Program and through the third Sunday of February Offering for the Homes, reflect a very encouraging increase. This is great, and we are grateful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care! Your love gift is a life-line to these deserving older persons, and they could not be cared for in the majority of cases, if it were not for you.

Signs on the horizon indicate that we will need greater financial support for our Homes for the Aging from our Baptist people than ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, on Richmond Hill, in Northwest Asheville. God, Himself, we feel, has guided us in discovering this beautiful site.

Plans are in the making now to raise $1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel and activities room, and other necessary rooms. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons, and older people from Western North Carolina will have a facility to serve the hundreds in their area who will need the service of this lovely facility now and in the years to come.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

We are indebted to Bill Poole, Executive Director of North Carolina Baptist Homes, Inc., for the above information.

Respectfully submitted,
John A. Bivens, Chairman

RESOLUTIONS

Whereas, we have been reminded constantly during these two days of Associational meetings that our people are not, by our actions, giving to the world the picture of the Christian nation that we claim to be, be it resolved that we, the people, of Union Association pray fervently and without ceasing for ourselves, and that we, by our votes, will send to our Congress Christian statesmen rather than just smart politicians.

Whereas, we do desparately need to have in our nation a leader who will lead our people back to God, be it resolved that we continue to pray fervently and ceaslessly that such a person will come forward as a candidate for president of the United States of America.

Whereas, it has been pointed out to us during these sessions that the mission of the Church is to spread the story of salvation to all mankind, be it resolved that we continue to pray earnestly that **many** of our youth will dedicate their lives as missionaries.

Whereas, the Program Committee, using the theme LET CHRIST'S FREEDOM RING, has provided us with such an excellent, varied and interesting program and given us education and inspiration, and whereas, the people taking part on this program did their parts so well that we could all relate to and identify with the ideas put across, and whereas, all the people of the Oakland and Mount Pleasant churches, assisted by the people of the Lee Park, Macedonia, Monroe First, Mount Zion, Sandy Ridge, Sunset Park, and Sutton Park churches have served us two delicious meals, and whereas, by their friendly reception, their graciousness and evident desire to meet all our physical and spiritual needs, have made these two days of the Union Baptist Association such a successful meeting, as well as a pleasant and gainful one, be it resolved that as a token of our appreciation and thanks we now give them a standing vote to indicate this gratitude.

Respectfully submitted,
Mrs. Anne Brooke, Chm.
Mrs. Ellis Marks

STEWARDSHIP AND COOPERATIVE PROGRAM

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program at a time when many others are having to reduce their outreach.

The sun never sets on your offering through the Cooperative Program, and it goes to help evangelize, to teach, to heal, as well as preach the Good News of God around the world. Consider how your gifts are used in God's service. More than 5,000 missionaries at home and in over eighty nations abroad receive a salary each month from your Cooperative Program dollar. These are the called of God to go preach, teach, nurse, doctor, and to do many other tasks. They have gone out from our churches to serve God as He directs them. Moreover, the aged, the sick, the widows, and homeless children have been helped by your gifts.

Last year, 1,026 churches increased their gifts through the Cooperative Program by fifteen percent or more, and three associations in our State had 100 percent of their churches giving through the Cooperative Program.

To celebrate the Fiftieth Anniversary of the Cooperative Program, let us commit ourselves to do four things:

1. Each church increase its gifts to the Cooperative Program by fifteen percent or more.
2. Pray for your home and foreign missionaries at each service in your church during October.
3. Contribute through the Cooperative Program every month.
4. Have a stewardship workshop in the Association.

TRUSTEES

Some of the work which we previously had to leave undone is now completed, thanks to everyone for helping in any way.

Finances were provided and we were able to install a new furnace and to air condition the home of the Associational Director of Missions, which is very satisfactory.

Storm doors and windows have been installed. Thanks to a friend, forty-five azaleas were given, along with mulch and top soil, all free, including labor.

Respectfully submitted,
B. L. Connell, Chairman

WOMAN'S MISSIONARY UNION

Woman's Missionary Union has no program of its own; it exists to promote and support Southern Baptist foreign, home, state, and associational missions. The following four distinctive tasks guide the WMU in fulfilling this purpose:

1. Teach missions by studying the Biblical basis for Christian missions, the progress of Christian missions, and contemporary missions, and be providing for the spiritual development of the learner.
2. Engage in mission action and direct evangelism.
3. Support mission through giving, praying, and creating an environment in which persons can hear and respond to God's call to mission service.
4. Provide and interpret information regarding the work of the church and of the denomination.

During 1974-75, the two WMU emphases have been "Love Thy Neighbor," focusing on mission action, and T-I-M-E, Training in Mission Education, which stresses the training of leaders and members. To help implement these emphases as well as the total WMU mission program, the associational WMU Council has attended training sessions at Ridgecrest, Camp Mundo Vista, and other workshops. In turn, the Council has sought to train the local church leadership, to lead in associational WMU activities for each age level, and to begin WMU work in churches without any WMU organizations.

For training, these opportunities were provided:

1. In September, a Leadership Conference for training all age-level WMU leadership in the local churches.

2. A mission study institute to train teachers to teach the foreign mission study books.

3. Three mission action workshops with special attention given to working with the elderly.

4. A training and planning session for GA Day Camp Leaders.

For inspiration, information, and fellowship, these associational activities were held:

1. The Annual Meeting was held in April at the Philadelphia Church. The theme for this meeting was "You Can Become..." The pastors were featured as a vital part of the WMU work in the local church. Forty-five GA's participated in the parade of flags, and the Acteens Council presented a skit, "The Cooperative Program: Fifty years," using puppets. Dr. Calvin C. Craig, Jr., assistant to the Executive Secretary of the General Baptist Convention in North Carolina and a Southern Baptist home missionary, delivered the missionary message.

2. The Baptist Women met at the Piney Grove East Baptist Church with the women of three other conventions to observe the Baptist Women's World Day of Prayer in November.

3. The Baptist Young Women had a Sweetheart Banquet in February and a Prayer Retreat in May.

4. The Acteens, guided by the Acteens Council, held a meeting each quarter. The picnic and prayer retreat in August was a highlight for the year.

5. Two GA Camps, one for grades 1-3 at Mill Creek Church and one for grades 4-6 at the Philadelphia Church, were well attended. Moises Valdes, a home missionary to Spanish-speaking people in Charlotte, spoke at the first camp, and Gladys Cheung, as international student at Wingate College from Hong Kong and Ghana, related experiences at the second camp.

For statistics, these results cause us to rejoice:

1. Three churches, Centerview, Howie, and Indian trail, have begun WMU work.

2. The number of age-level organizations has increased.

3. The associational WMU has again attained the level of **DISTINGUISHED** on the Achievement Guide.

For concerns, these facts challenge us:

1. Eleven churches have no WMU organizations.

2. Twelve churches have only a Baptist Women organization with no mission training for preschoolers, children, or youth.

3. Some of the churches neither give through the Cooperative Program nor support the Southern Baptist missionary program.

"God was in Christ reconciling the world unto himself,...and hath committed unto us the work of reconciliation" (2 Cor. 5:19). These words challenge us to be missionaries, with a task of telling all men everywhere that in Christ God was reconciling the world to himself by forgiving men their sins. The words should compel within us a deep desire and willingness to "share His Love now."

Respectfully submitted,
Dr. Marian Hume
Associational WMU Director

•The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.
